SECTION I: MATTERS FOR DISCUSSION AND DEBATE

6.0 BIENNIAL REVIEW OF ATSIAC

6.1 The University’s Council (December 2011 meeting) endorsed the requirement for the Biennial Review of university-level committees. As the ATSIAC is a sub-committee of University Council and was reviewed in 2010, Council has advised that the Advisory Committee is to conduct an internal review in 2012. The final Review Report is to be submitted to the University Council by its October 2012 meeting at the latest.
6.2 The ATSIAC may recall that it considered the terms and scope of the review at its March meeting and addressed in detail each of the following questions, which had been supplied by University Council to assist university committees in their review:

1. Are meetings well organised and make effective use of time?
2. Does the committee operate effectively as a team?
3. Are relationships between the committee and Management, External stakeholders, and Internal stakeholders productive and constructive?
4. Are papers for committee meetings comprehensive and received in adequate time?
5. Does the committee have the right mix of skills?
6. Is enough time allocated for the important issues?
7. Is the committee constitution clear and are we fulfilling it?
8. Do we receive enough information about the University's activities and initiatives to inform our decision making?

6.3 On the basis of the discussions held at the March 2012 meeting, a draft Review Report (2012/00012255) has been prepared and is attached for consideration and comment by the ATSIAC. A copy of the ATSIAC Constitution (doc 2012/00012254), which includes the minor revisions raised in the internal review, is also attached.
