The construction of the facility at the Gold Coast Campus will be completed by the end of April, 2013. The original completion date was late December 2012; however weather conditions during crucial construction periods have caused delays.

Staff have been relocated to the newly refurbished Administration Centre on Nathan Campus in the Patience Thoms building (N06). The outdoor area is still not completed and construction will commence once the students have completed their academic semester. The area will be completed prior to the Christmas Break.

2.2 Simon Fraser University (SFU), Vancouver, Visit to Griffith in January 2013.

Mr William Lindsay (Director, Office for Aboriginal Peoples, SFU) is visiting Griffith University (January 21 – 25) with a delegation of four students and First Nations Elders. The purpose of the visit is to give potential applicants a taste of life at Griffith University, with the intention that these students will return for an international exchange for a semester in 2014.

An invitation will be extended to the Aboriginal and Torres Strait Islander Advisory Committee to meet with the delegation on Tuesday 22 January, 2013.

2.3 Harmony Week 2013

The theme for Harmony Week in 2013 is What’s Your Story? A committee has been established to coordinate a university-wide approach. The participants have almost completed the six modules for the program that covers basic computing skills, Microsoft office, digital imaging and basic research in genealogy. Feedback indicates that the program is successful and participants have demonstrated a keen interest. The Student Guild at the Gold Coast is hosting a function for the participants on completion of the program on November 15, 2012. The second intake of the program will commence in March 2013, with mature aged learners from the targeted demographic area.

2.6 The ATSIAC thanked the Head, Gumurrii Student Support Unit for this detailed report.
SECTION D: MATTERS NOTED, CONSIDERED, OR REMAINING UNDER DISCUSSION

3.0 HIGHER EDUCATION ACCESS AND OUTCOMES FOR ABORIGINAL AND TORRES STRAIT ISLANDER PEOPLE

Members recalled that the review panel was established to examine how higher education outcomes among Aboriginal and Torres Strait Islander people contribute to nation building and the reduction of Indigenous disadvantage.

3.2 Members of the ATSIAC recalled that Griffith University provided a detailed response to the panel, following the release of the Context Paper by the panel on 19 September 2011.

3.3 The ATSIAC noted that the Report of the Review of Higher Education Access and Outcomes for Aboriginal and Torres Strait Islander People highlights the role that higher education plays in improving health, education and economic outcomes for Aboriginal and Torres Strait Islander people. The report is available at:

3.4 The DVC & Provost advised the Aboriginal and Torres Strait Islander Advisory Committee that the University has compiled a detailed response against these areas and that the documentation will be forwarded to ATSIAC for noting.

4.0 GRIFFITH UNIVERSITY RECONCILIATION ACTION PLAN

4.1 The ATSIAC was advised that the Griffith’s Reconciliation Action Plan (RAP) has been endorsed by Reconciliation Australia and was launched at the Nathan campus on Tuesday, 11 September 2012.

4.2 The ATSIAC noted that the RAP includes a number of actions which are listed under the following headings:

Respect - Acknowledgement of First Peoples to build mutual and reciprocal respect based on shared cultural knowledge

Relationships – Fostering mutual understanding through meaningful connections – our community is as strong, enabling and vibrant as the relationships we develop, nurture and celebrate

Opportunities – Increasing educational and career access and success for Indigenous students and staff

4.3 The Aboriginal and Torres Strait Islander Advisory Committee requested that updates on the implementation of the RAP be forwarded to the Advisory Committee for consideration at the 2013 meetings.

5.0 GRIFFITH UNIVERSITY’S INDIGENOUS CADETSHIPS AND EMPLOYMENT

5.1 The ATSIAC welcomed the Indigenous Student Placement Officer to the meeting, who spoke to the report Indigenous Employment Projects Report, October 2012. The ATSIAC was reminded that Griffith’s Indigenous Cadetships and Graduate Employment program has enjoyed considerable success since it commenced operation in 2003. Including the following achievements:

• Awarded Australian Learning and Teaching Citation for outstanding cadetship outcomes
• Awarded GUMURRII Building Bridges Staff Reconciliation Award, 2009
• Placed more cadets than any other University in Qld in the National Indigenous Cadetship Project Pilot Program, 2003 – 2004
• Progressed to achieve highest cadetship outcomes of any Australian University

5.3 The Indigenous Student Placement Officer alerted members of the ATSIAC to recent advice from the Federal government that funding for the NICP is to be withdrawn from 2013. The ATSIAC noted the sustained and significant impact that the cadetship program has had on retention and graduate outcomes for the University’s indigenous student cohort.

5.4 Members of the ATSIAC reminded the Indigenous Student Placement Officer that the provision of Work-Integrated Learning (WIL) opportunities, of which the cadetship program forms a part, is an embedded aspect of Griffith’s undergraduate student experience and that the academic Group Pro Vice Chancellors are responsible for maintaining this area within their groups. The ATSIAC suggested that the Indigenous Student Placement Officer work with colleagues within the Student Success Unit to consider appropriate ways to approach the Group Pro Vice Chancellors with a view to seeking their support for the ongoing inclusion of an indigenous cadetship program within their group’s WIL framework.
