4.0 PRO-VICE CHANCELLOR (ARTS, EDUCATION and LAW) REPORT

The PVC (AEL) Professor Paul Mazerolle will present a verbal report.

ORDERING OF THE AGENDA

At this point in the agenda, members may propose that any matter on the agenda, not included in Section I, be so included.

SECTION I: MATTERS FOR DEBATE AND DECISION

5.0 REVISED STRATEGIC PLAN KPIs and TARGETS 2010 -2013

5.1 In May 2010, Council approved a revised set of University Strategic KPIs 2010 to 2013. These have now been incorporated and cascaded down to Group and element (School/Department/Centre) levels and presented in a new suite of Strategic and Staircase KPI reports with targets at Group and element level (School /Centre).
5.2 The new reporting format has been developed with a greater emphasis on reporting “raw” scores which is the only metric that the University can impact. Consequently, the 2010 to 2013 KPI targets at all levels are essentially raw score targets. This new reporting format of displaying actual results and targets in raw scores/measures has been developed for reporting at all levels. At the Group and elemental level (Schools/Departments/Centres) these will be complemented by Staircase Threshold Level reporting (with national comparisons where available/applicable) in order to retain focus on the need to improve our relative performance nationally.

5.3 Ms Sue Smith will speak to this item.

6.0 AEL ALUMNI STRATEGY

6.1 The attached AEL Alumni Strategy has been prepared for the Group and on the recommendation of the PVC (AEL), is brought to the Group Faculty Board for comment and review.

6.2 The Plan expresses the Group’s commitment to increase the number of AEL Alumni that are captured in the University’s alumni database and to form a robust Alumni Network that supports the disciplines and interests of the AEL Group.

6.3 Although the Group has potentially a significant body of alumni across a range of professions, we have not always been diligent in maintaining contact with our alumni, a fact that is reflected in the low numbers recorded for alumni from the AEL group. This Plan addresses these issues by grouping the aims under the areas of

1. Recruitment and Retention;
2. Communication; and
3. Strategic Engagement with the AEL Group.

6.4 Members are asked to review the attached Strategic Plan and to provide feedback to the PVC (AEL). The Board is invited to consider the following points when providing its feedback:

- vision for alumni in each area, including ideas for events
- recommendations for external advisory board members
- budget management and responsibilities for events
- ideas for growing the alumni database

6.5 Fiona Mac Anally, Development and Alumni Coordinator, has been invited to the meeting for this item and will present examples of external funding sources, such as sponsorship, monies and prizes.

6.6 The PVC (AEL) will introduce this item.

7.0 UPDATE ON GRIFFITH WEBSITE REDEVELOPMENT PROJECT

7.1 Members will recall at the Board’s 2/2010 meeting, Ms Linda O’Brien Pro Vice Chancellor (INS) and Mr John Miles, Director of the Office for Student Recruitment, attended the meeting to discuss the Griffith website strategy plans.

7.2 A progress report is attached outlining the latest progress on the development of interest areas for all areas across AEL including progress with developing content for related landing pages, key contacts, content writers, progress and action required.

7.3 Ms Sarah Nolan, the AEL Group Project Officer will speak to this item.

For consideration
8.0 PROPOSED ESTABLISHMENT OF AN AEL WEB ENHANCEMENT WORKING GROUP

8.1 The purpose of the Working Group would be to work together to develop and adopt coordinated strategies and approaches to technical challenges improving the effectiveness of AEL’s online engagement; to grow and improve AEL’s online visibility and to promote and build a positive and engaging web ethos across AEL making it easier to develop and upload new and more visually engaging content. The team would meet regularly as well as participate in skill enhancing workshops and forums.

8.2 It is proposed that members of the Working Group would include representatives from across AEL who have undertaken the Griffith web publishing training as well as suitable technical people from INS, ER and Development & Alumni to assist with technical, marketing and alumni engagement aspects of AEL’s various websites. Potential members include.

The University’s research data is eligible for assessment in approximately one-third of all four-digit fields of research, while the remaining data will be assessed at the two-digit level.
