These evidence-based assessment practices are designed to scaffold commencing students’ transition into and success with university study. It is proposed that these standard practices are implemented in the first year of all Griffith degree programs.

14.2 At a meeting with the GBS Heads of Department on 12 October 2012 it was agreed that, given the approaching deadline for course profiles, GBS would ensure that three of the standards are in place in course profiles in first year courses for Semester 1, 2013. Program Directors have been asked to consult with Heads of Department to select relevant courses and to inform Course Convenors of the requirement to meet the assessment standards when designing their course profiles.

II: MATTERS REQUIRING RATIFICATION OR EXECUTIVE ACTION

17.0 MINOR CHANGE PROPOSAL (#2012/0012089) 1105/1107 BACHELOR OF INTERNATIONAL BUSINESS

17.2 The Griffith Business School has undertaken a review and rationalisation of duplicate courses across all disciplines and proposes the following changes to the Bachelor of International Business and its related double degree programs:

- 1002IBA Economics in Action, a first year core course, will be withdrawn from offer and replaced with 1303AFE Economics in Action 1;

- 1006IBA Business Statistics will be withdrawn from offer and replaced with 1304AFE Business Statistics;

- 2002IBA Microeconomics of Business Strategy, the title of this core course in the International Business major will change to – 2002IBA Market Structure and Business Strategy;

18.0 MINOR CHANGE PROPOSAL (#2012/0012090)
1347 BACHELOR OF BUSINESS

18.1 The Griffith Business School Board, on the executive recommendation of the Dean (Learning and Teaching), on behalf of the Chair, Griffith Business School Board, is asked to ratify a Minor Change Proposal affecting the 1347 Bachelor of Business, as detailed in #2012/0012090, effective Trimester 1, 2013.

18.2 The Griffith Business School proposes changes to the Management and Human Resource Management majors offered in the 1347 Bachelor of Business at Logan.

Changes to the Human Resource Management major

18.3 The Human Resource Management major was added to the program, for new students commencing 2012. A minor change is required to the course offerings to align the major with professional accreditation requirements. 3182EHR Applied Strategic Organisational Change is listed as an elective; it will be moved to the core as a capstone course in place of 2081EHR Management Employee Relations. 2081EHR will be listed as an elective. Courses in the major were to be rolled-out over 2012 and 2013. Both courses were scheduled to be offered for the first time in 2013 therefore existing students will not be disadvantaged by this change. It is also proposed to remove the course 3182IBA Management Strategy and Decision Making from the core to reduce the amount of overlap between the HRM major and Management majors.

18.4 Additionally, in order to facilitate student progression and allow completion within the two year program, the prerequisite requirements for 3080EHR Training and Development and 2089EHR Recruitment and Selection will be removed.
Change to the Management major

18.5 Students are required to complete 1085IBA Introduction to International Business in Trimester 2 in their first year of study. However, this means that students are required to complete 50 credit points in Trimester 2. It is proposed to offer this course in Trimester 3 to balance the course offerings.

For ratification

19.0 MINOR CHANGE (2012/0012093)
1035/1286/136/1337 BACHELOR OF COMMERCE
1347 BACHELOR OF BUSINESS

19.1 The Griffith Business School Board, on the executive recommendation of the Dean (Learning and Teaching), on behalf of the Chair, Griffith Business School Board, is asked to ratify a Minor Change Proposal affecting the 1035/1286/1336/1337 Bachelor of Commerce and 1347 Bachelor of Business, as detailed in #2012/0012093, effective Semester 1, 2013.

19.2 The Griffith Business School offers the Bachelor of Commerce (Accounting) at Nathan, Gold Coast and Logan. This program is jointly accredited by the Institute of Chartered Accountants in Australia and CPA Australia. Reaccreditation with these bodies is due in 2012/2013; Griffith Business School is preparing the accreditation submission.

19.3 Previous accreditation guidelines required an information systems design and development course. This requirement was met through the inclusion of 1008ICT Business Informatics. The professional bodies have revised the accreditation guidelines for 2012 and now require the inclusion of a more specific accounting information systems course. The required content of this course includes productivity software, file and database management systems, accounting information systems in business, systems development and maintenance and electronic commerce.

19.4 In order to meet this requirement it is proposed to add a new first year core course to the Bachelor of Commerce. This will be a core requirement for all accounting students, in place of 1008ICT. Students not completing Accounting will continue to take 1008ICT. 1008ICT will continue to be offered in the Bachelor of Business at Nathan and Gold Coast.

For ratification

20.0 MAJOR CHANGE (2012/0012096)
1288/1034 BACHELOR OF BUSINESS

20.1 The Griffith Business School Board, on the executive recommendation of the Dean (Learning and Teaching), on behalf of the Chair, Griffith Business School Board, is asked to ratify a Major Change Proposal affecting the 1288/1034 Bachelor of Business, as detailed in #2012/0012096, effective Semester 1, 2013.

20.2 The Griffith Business School offers an undergraduate major and minor in Logistics and Supply Chain Management in the Bachelor of Business. It is proposed to change the name of the major from Logistics and Supply Chain Management to Logistics and Supply Network Management.

21.0 MINOR CHANGE PROPOSAL (#2012/0012101)
SUMMER SEMESTER OFFERINGS

21.1 The Griffith Business School Board, on the executive recommendation of the Dean (Learning and Teaching), on behalf of the Chair, Griffith Business School Board, is asked to ratify a Minor Change Proposal affecting various GBS undergraduate programs, as detailed in #2012/0012101, effective Semester 1, 2013.

21.2 The Griffith Business School proposes to add summer semester course offerings to its undergraduate programs. GBS summer semester courses have typically been advertised via the summer semester website. With the recent alignment of enrolment and timetabling processes, it is now proposed to formalise the summer semester offerings.

For ratification

22.0 MINOR CHANGE PROPOSAL (#2012/0012102)
5226/5228 MASTER OF MARKETING

22.1 The Griffith Business School Board, on the executive recommendation of the Dean (Learning and Teaching), on behalf of the Chair, Griffith Business School Board, is asked to ratify a Minor Change Proposal affecting the 5226/5228 Master of Marketing, as detailed in #2012/0012102, effective Semester 1, 2013.

22.2 As part of the broader plan to streamline and strengthen the Master of Marketing it is proposed to introduce Retail Branding and Innovation (7024MKT) at the Nathan campus to replace Contemporary Issues in Marketing (7215MKT) from Semester 1, 2013.

22.3 The submission also addresses the rationalisation of course offerings within the GBS based around the removal of course overlap and existing courses that are no longer considered viable due to changes in market demand. 7208MKT Interactive Marketing will be withdrawn from offer in Sem 1, 2013. It is proposed to combine content of this course with 7040MKT Digital Marketing. Currently there is difficulty clearly differentiating the course content between the two courses. Due to very low enrolments it is proposed to withdraw 7025MKT Marketing Theory. This course has not been offered for several semesters and enrolments closed as a result. Keeping it on the program catalogue when it is clearly redundant is confusing for students.

For ratification

23.0 MINOR CHANGE PROPOSAL (#2012/0012104)
5445 MASTER OF BUSINESS

23.1 The Griffith Business School Board, on the executive recommendation of the Dean (Learning and Teaching), on behalf of the Chair, Griffith Business School Board, is asked to ratify a Minor Change Proposal affecting the 5445 Master of Business, as detailed in #2012/0012104, effective Semester 1, 2013.

23.2 The Master of Business was subject to a five year review in 2011/2012. The purpose of the review was to make continuous improvement in learning and teaching by ensuring that the structure and content of the program remained in keeping with best practice. More specifically, it aimed to advance Griffith University’s mission by satisfying the needs of major stakeholders (i.e., students, employers and the community), providing students with up to date knowledge and skills that align with the needs of the industry, and promoting lifelong learning. The following changes are proposed to the Master of Business program suite.

23.3 Recommendation 1: Offer a new core course 7218HSL Understanding Research in Tourism & Hospitality, Sport & Events.
23.4 Recommendations 2 and 12: Withdraw the core course 7344HSL Managing Volunteers and the Sport and Event Workforce and specialisation course 7206HSL International Business of Tourism and Hotel Management.

23.5 Recommendation 9: Offer two elective courses that engage with industry; 7346HSL Industry Practicum and 7345HSL Applied Project.

For ratification

24.0 MINOR CHANGE PROPOSAL (#2012/00120105)
5158/5159 MASTER OF BUSINESS ADMINISTRATION

24.1 The Griffith Business School Board, on the executive recommendation of the Dean (Learning and Teaching), on behalf of the Chair, Griffith Business School Board, is asked to ratify a Minor Change Proposal affecting the 5158/5159 Master of Business Administration, as detailed in #2012/0012105, effective Semester 1, 2013.

24.2 The proposed minor change is in regards to the Master of Business Administration program suite offered across both South Bank and Gold Coast campuses. The MBA team are proposing to reduce some of the duplicate course offerings in the program due to low student enrolments. The course offerings that are not meeting the minimum required enrolments are offered more than once in each academic year. The changes are:

- 7916EHR Human Resource Management: currently offered Summer semester and Semester 1 at Gold Coast – removing Semester 1 offering.
- 7902AFE Business Economics: currently offered Semester 1 and 2 at South Bank – removing Semester 1 offering.
- 7901AFE Accounting for Managers: currently offered Semester 1 and 2 at South Bank – removing Semester 2 offering.

For ratification

25.0 MAJOR CHANGE (2012/0012106)
1289 BACHELOR OF BUSINESS (HTERS)

25.1 The Griffith Business School Board, on the executive recommendation of the Dean (Learning and Teaching), on behalf of the Chair, Griffith Business School Board, is asked to ratify a Major Change Proposal affecting the 1289 Bachelor of Business (HTERS), as detailed in #2012/0012106, effective Semester 1, 2013.

25.2 It is proposed to withdraw the Recreation Management minor offered in the Bachelor of Business (HTERS) due to low student demand.

For ratification

26.0 MINOR CHANGE PROPOSAL (#2012/0012107)
1034/1288 BACHELOR OF BUSINESS

26.1 The Griffith Business School Board, on the executive recommendation of the Dean (Learning and Teaching), on behalf of the Chair, Griffith Business School Board, is asked to ratify a Minor Change Proposal affecting the 1105/1107 Bachelor of International Business, as detailed in #2012/0012089, effective Semester 1, 2013.

26.2 The below changes to the Employment Relations major and minor are proposed:
- Firstly, the core course 3006EHR Employment Strategies in Action will not be offered in 2013 at the Gold Coast due to low enrolment numbers. This will be reassessed in 2013 in terms of its offering for Semester 2, 2014 at Gold Coast. As a means of a transition for Gold Coast students, all 2nd and 3rd year Business students who had declared Employment Relations as their major were contacted via email at the beginning of 2012. These students were strongly encouraged to enrol into 3006EHR for Semester 2, 2012 in order to ensure they'd all completed it prior to 2013. Students were also advised that they had the option to complete 3006EHR at Nathan in 2013 if they wished (instead of taking it in 2012). Furthermore, following semester 2, 2012 census date, GBS reviewed the transcripts of second and third year students enrolled in the Employment Relations major to identify any who may be disadvantaged by this program change; none were identified.

- Secondly, the Employment Relations minor will be restructured from six prescribed courses to 40CP core plus 20CP listed electives. Current core courses 2006EHR Health and Safety in the Workplace, 3001EHR Negotiation and 2007EHR Labour Market Issues will become electives. 3006EHR employment Strategies in Action will be added to the remaining core courses to total 40CP. Courses 2001EHR Management Employee Relations, 2004EHR Employment Relations Law and 3008EHR Workplace Industrial Relations will remain as core courses.
