ORDERING OF THE AGENDA

At this point in the agenda, members may propose that any matter on the agenda, not included in Section I, be so included.

The New Program Approval - Programs Committee Checklist (04/0893) is attached at the end of this Agenda for reference.

SECTION I: MATTERS FOR DEBATE AND DECISION

5.0 QCA NEW PROGRAM SUBMISSION (2005/0037752)
   1302 BACHELOR OF VISUAL MEDIA
   5.1 The Programs Committee, on the recommendation of the recommendation of the Contemporary Arts, Music and Media Board 3/2005 (July), is asked to consider the attached New Program Submission proposing to establish the Bachelor of Visual Media (13024), as described in the submission 05/0037752, for introduction in semester 1, 2006.
5.2 The Bachelor of Visual Media comprises 240CP, and will offer creative students a full range of options in their chosen career. Graduates will have a dynamic future in industries that demand high professional standards and value creativity and innovative thinking. Students will have the flexibility to undertake a studio major within the degree, and to choose an elective major or specialisation from another area of the degree or from other schools or faculties. This broadens the students’ experience in the degree and within the university environment.

5.3 To be eligible for the award of Bachelor of Visual Media (BVMe) a student must acquire 240 CP as prescribed below:
- Gain 60CP of Visual Arts Core.
- Gain 60CP in Studio Foundation Courses (SF) within the major.
- Gain 60CP in Studio Major courses; (the majors are: Graphic Design, 3-Dimensional Design, Digital Design, ePhotojournalism and Fine Art Practice)
- Gain 60CP in an Elective major or complete two 30CP Specialisations (these may be taken from other QCA programs or other Schools across the University providing prerequisites are met).
- Gain no more than 120CP of courses at first year level
- Gain a minimum of 40CP of courses at third year level
- No more than 30CP of the total 160CP for second and third year can be awarded for courses in which a grade of Pass Conceded (PC) has been attained. A grade of Pass Conceded (PC) for a course which is a prerequisite for a later course is not regarded as sufficient for meeting the prerequisite requirements.

5.4 The minimum English language requirements for admission of international students are according to the standard requirements for all undergraduate programs for 2006, that is:
- A minimum score of 550 on TOEFL (Test of English as a Foreign Language) ; or
- A computerised TOEFL score of 213
- A minimum overall band score of 6.0 on IELTS (International English Language Testing System) with no sub-score of less than 5.5 ; or
- No score less than 3 in each skill of the ISLPR (International Second Language Proficiency Rating).

Recommendation:

5.5 The Programs Committee, on the recommendation of the Contemporary Arts, Music and Media Board 3/2005 (July), is asked to recommend to the Academic Committee the establishment the Bachelor of Visual Media (1302) (BVMe), as contained in 05/0037752, for introduction in semester 1, 2006.

For approval

6.0 CALL NEW PROGRAM SUBMISSION (05/0007614)
ENGLISH FOR ACADEMIC PURPOSES PLUS

6.1 The Programs Committee, on the recommendation of the Arts Faculty Board 3/2005 (June), is asked to consider the attached New Program Submission proposing to establish the non-award program English for Academic Purposes PLUS (EAP PLUS), as described in the submission 05/0007614, for introduction in semester 2, 2005.

6.2 This program is designed for an international student clientele who are planning to enter degree programs in Griffith University but do not have the required English language proficiency levels to enter directly into the degree of their choice. EAP PLUS has been designed to meet the high demand by international students for entry to Griffith University from the University’s English language institute (CALL), without the need to sit another formal English test, eg. IELTS or ISLPR.
6.3 The program focuses on development of advanced English language skills for academic purposes, as well as analytical and critical thinking, and study skills to enable students to function successfully in their degree programs. Study skills are embedded in the course and include: using the library and databases, understanding the process of producing an assignment or essay, understanding examination rubrics, note-taking, referencing and the related issues of academic integrity (anti-plagiarism).

6.4 Students entering this program must have a Conditional Offer of Enrolment (COE) from Griffith; it is conditional upon students attaining the published English entry level for the program to which they wish to be admitted. Students will need to show English language proficiency close to entry level for their particular degree program. This is:
- for students seeking admission to undergraduate programs, IELTS 5.5 with no skill lower than 5 or ISLPR 2+ in all skills, or the equivalent;
- for students seeking admission to postgraduate programs, IELTS 6.0 with no skill lower than 5 and only one skill at 5 or ISLPR 3 in all skills, or the equivalent.

6.5 As successful students will have met the language proficiency required for their degree, they will be able to enter directly into their degree program from EAP PLUS. For those students who do not satisfy the necessary entry requirements for EAP PLUS, they will still have the option of continuing English studies at CALL in an alternative ELICOS course, and sitting a formal test, eg. IELTS or ISLPR, before entering the Griffith degree. This is the same set of conditions that currently apply to CALL’s students.

Recommendation:

6.6 The Programs Committee, on the recommendation of the Arts Faculty Board 3/2005 (June), is asked to approve the establishment the non-award program English for Academic Purposes PLUS (EAP PLUS), as contained in 05/0007614, for introduction in semester 2, 2005.

For approval

7.0 GBS MAJOR CHANGE SUBMISSION (05/0037271)
1034 BACHELOR OF BUSINESS

7.1 The Programs Committee, on the recommendation of the Griffith Business School Board 6/2005 (July) and the Griffith Law School Board 3/2005 (June), is asked to consider the attached Major Change Submission proposing to changes to the Bachelor of Business (1034), as described in the submission 05/0037271, for introduction in semester 1, 2006.

7.2 After extensive consultations between the Griffith Law School and the Griffith Business School it is proposed that 2006LAW Introduction to Business Law and 2101LAW Company Law be withdrawn and replaced with the existing courses 2105AFE Introduction to Business Law and 2106AFE Company Law, both currently offered at the Nathan and Logan campuses.

7.3 The Pro-Vice Chancellor (Business and Law) approved this load shift prior to the Law School moving to the Arts and Education Group. The Pro-Vice Chancellor (Arts, Education and Law) has been informed of this load shift.

Recommendation:

7.4 The Programs Committee, on the recommendation of the Griffith Business School Board 6/2005 (July) and the Griffith Law School Board 3/2005 (June), is asked to recommend to the Academic Committee the major change submission for the Bachelor of Business (1034), as contained in 05/0037271, for introduction in semester 1, 2006.

For approval
8.0 CLS SUBMISSION FOR MAJOR CHANGE (2005/0000456)
1051 BACHELOR OF EDUCATION – SECONDARY
1053 BACHELOR OF EDUCATION – SECONDARY (DRAMA)
1248 BACHELOR OF EDUCATION – SECONDARY (HEALTH AND PHYSICAL EDUCATION)

8.1 The Programs Committee, on the recommendation of the Faculty of Education Board 6/2005 (July), is asked to consider the attached Major Change Submission proposing to changes to the Bachelor of Education – Secondary (1051), the Bachelor of Education – Secondary (Drama) (1053) and the Bachelor of Education – Secondary (Health and Physical Education) (1248), as described in the submission 05/0000456, from semester 1, 2006.

8.2 In the Arts and Education Group’s response to the Academic Plan: Undergraduate Program Review it was decided that as the Bachelor of Education – Secondary (Drama) (1053) and the Bachelor of Education – Secondary (HPE) (1248) were separate programs representing teaching areas within the Bachelor of Education – Secondary, the Faculty of Education recommended that these two programs be amalgamated with the Bachelor of Education – Secondary (1051).

8.3 The changes to the Bachelor of Education – Secondary (1051) will be purely administrative to reflect the different admission requirements for the Bachelor of Education – Secondary (Drama), which is based on an audition and interview, and the different OP entry levels of the degrees. There are no changes to the content or structure of the Bachelor of Education – Secondary, as the content and structure of the Bachelor of Education – Secondary (Drama) and the Bachelor of Education – Secondary (HPE) are already incorporated in the Bachelor of Education – Secondary. There will be no change to testamur titles as all students studying Education programs receive a Bachelor of Education.

8.4 Changes to the degree requirements for the Bachelor of Education – Secondary are as follows:
To be eligible for the award of the Bachelor of Education (BEd), a student must acquire 320CP as prescribed below:
- gain 160CP of Content Studies (CO), to include at least 60CP in each of two Teaching Areas;
- gain 40CP of Curriculum Studies (CU);
- gain 80CP of Education Studies (ES);
- gain 10CP of Elective Studies (Students may choose from other courses offered by the Faculty of Education or another Faculty provided the academic and professional experience timetables allow);
- satisfactorily complete all Professional Experience requirements as follows:
  o gain 30CP for Professional Practice in Teaching (PPT); and
  o School Experience (total of 80 days of teaching in schools) and Community Field Studies, Professional Experience (20 days professional experience in education)
- gain no more than 40CP in courses in which the grade of Pass Conceded (PC) has been attained.

8.5 Submissions to withdraw the Bachelor of Education – Secondary (Drama) (1053) and the Bachelor of Education – Secondary (Health and Physical Education) (1248) will be presented to the next meeting of the Programs Committee.

Recommendation:

8.6 The Programs Committee, on the recommendation of the Faculty of Education Board 6/2005 (July), is asked to recommend to the Academic Committee the Major Change Submission proposing to changes to the Bachelor of Education (1051), as contained in 05/0000456, for introduction in semester 1 2006.

For approval
9.0 GFS MAJOR CHANGE SUBMISSION (05/0000459) 1284 BACHELOR OF FILM AND SCREEN MEDIA

9.1 The Programs Committee, on the recommendation of the Contemporary Arts, Music and Media Board 3/2005 (July), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Film and Screen Media (1284), as detailed in 05/0000459, for introduction from semester 1 2006.

9.2 The Bachelor of Film & Screen Media has been redesigned to meet the requirements of the Griffith Academic Plan, and the QCA Faculty Review objectives. The proposed change provides students with the flexibility to choose a studio major from within the program, and to choose an elective major or specialisation from other schools or faculties. This broadens the students’ experience in the degree, and within the University environment, and is in line with recent changes to other QCA undergraduate programs.

9.3 It is proposed to make the following changes:
- It is proposed to provide six (6) courses, known as Visual Arts Core. All students enrolled in any undergraduate program at QCA (except B Animation) will undertake these six courses. The courses are shared by all undergraduate programs and consist of:
  - 1208QCA Modernism and Post Modernism;
  - 1002AMC Film, Media & Culture
  - 1210QCA Creating the Image;
  - 1211QCA Digital Visualisation;
  - 1212QCA Two & Three Dimensional Art & Design Practice;
  - 1213QCA Indigenous Art, Protocols and Practice.

It is anticipated that the introduction of these courses will allow students to gain a broad range of skills and expertise before embarking onto specialised studies.

- There are also a number of changes to courses as indicated in the submission.

9.4 As a result of the proposed changes, the degree requirements change as follows:
To be eligible for the award of the Bachelor of Film & Screen Media, a student must acquire 240CP as prescribed below:
- Gain 80CP for the prescribed first year courses of the program by successfully completing the compulsory visual art theory courses (which contribute to the major in Visual Culture) and the studio foundation studies. It is a general requirement that students must have successfully completed all courses in first year before proceeding to second year, however students who do not meet this requirement, may be allowed to enrol in second year courses while completing components of the first year;
- Gain a total of 160CP for all second and third year courses including 40CP for the major in Visual Culture. The remaining 20CP comes from the first year Art Theory courses;
- Gain 60cp of Visual Arts Core.
- Gain 60cp in Studio Foundation Studies (SF)
- Gain 60cp in a Studio Major (the major is: Film & Screen Production)
- Gain 60cp in an Elective major or complete two areas of 30cp of Specialisations (this can be taken from other QCA programs, or other Schools or Faculties across the University providing pre-requisites are met).
- Gain no more than 120CP of courses at first year level
- Gain a minimum of 30CP of courses at third year level
- no more than 30CP of the total 160CP for second and third year can be awarded for courses in which a grade of Pass Conceded (PC) has been attained. The grade of Pass Conceded (PC) for a course which is a prerequisite for a later course is not regarded as sufficient for meeting the prerequisite requirements.
Recommendation:

9.5 The Programs Committee, on the recommendation of the Contemporary Arts, Music and Media Board 3/2005 (July), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Film and Screen Media (1284), as contained in 05/0000459, for implementation in semester 1 2006.

For approval

10.0 ATS MAJOR CHANGE SUBMISSION (05/0037755)
1021, 1022, 1016 BACHELOR OF ARTS
1088, 1090, 1017 BACHELOR OF COMMUNICATION

10.1 The Programs Committee, on the recommendation of the Faculty of Arts Board 4/2005 (July), is asked to consider the attached Major Change Submissions proposing changes to the Bachelor of Arts (1021, 1022, 1016) and the Bachelor of Communication (1088, 10909, 1017), as detailed in 05/0037755 and 2005/0037757, for introduction from semester 1 2006.

10.2 In the 05/0037755 submission the School of Arts and Media Culture proposes to withdraw the courses, 2519AMC Introduction to Public Relations and 2520AMC Media Relations from the Public Relations major at Nathan campus, in the Bachelor of Arts (1021, 1022, 1016) and the Bachelor of Communication (1088, 10909, 1017). Withdrawal of these courses means that the major can no longer be offered at the Nathan campus. However, students can continue to complete the major at Gold Coast campus.

10.3 In the 05/0037757 submission the School of Arts and Media Culture proposes to withdraw the Cultural Studies major from the Bachelor of Arts (1021, 1022, 1016). When this major was introduced the rationale for its introduction was to formally recognize what, at the time, was a substantial component of the then Faculty of Humanities, and to capitalize on the proximity of the Australian Key Centre for Cultural and Media Policy. That Centre no longer exists and, as a result of subsequent restructuring and staff changes, there no longer exist sufficient courses and staff expertise within the School of Arts, Media and Culture to offer a major in cultural studies that engages with theoretical, conceptual and empirical issues in the field. In line with the current Academic Plan, moreover, staff with relevant expertise are committed to the delivery of other majors within the School, notably Film and Media Studies, Historical Studies and Journalism.

Recommendation:

10.4 The Programs Committee, on the recommendation of the Faculty of Arts Board 4/2005 (July), is asked to recommend to the Academic Committee the Major Change Submissions proposing changes to the Bachelor of Arts (1021, 1022, 1016) and the Bachelor of Communication (1088, 10909, 1017), as contained in 05/0037755 and 05/0037757, for implementation in semester 1 2006.

For approval

11.0 LAL MAJOR CHANGE SUBMISSION (05/0038017)
1116 BACHELOR OF ARTS IN LANGUAGES AND APPLIED LINGUISTICS

11.1 The Programs Committee, on the recommendation of the Faculty of Arts Board 3/2005 (June), is asked to consider the attached Major Change Submissions proposing changes to the Bachelor of Arts in Languages and Applied Linguistics (1116), as detailed in 05/00380017 and 05/00380018, for introduction from semester 1 2006.
11.2 In the 05/0038017 submission it is proposed to restructure the Linguistics Major into three concentration areas designed around a cluster of courses. While a number of the new and existing courses will serve more than one concentration area, there are enough options to cater for different areas of students' interests and offer students a coherent program of studies within the areas of staff expertise. The concentration areas are:
- Descriptive Linguistics (including syntax, phonetics and phonology and pragmatics);
- Sociolinguistics (including cross-cultural communication, cross-cultural communication in institutional settings, language and gender, language and the media and pragmatics);
- Second language acquisition (including language teaching and learning, second/foreign language teaching methodologies, language and IT and language and cognition).

11.3 In the 380018 submission it is proposed to
- change the name of the English Major to International English;
- change of total credit point value for major from 80CP to 60CP;and
- other changes as described in the submission.

11.4 As a result of the proposed changes, the degree requirements change as follows:

To be eligible for the award of Bachelor of Arts in Languages and Applied Linguistics (BA), a student must acquire 240CP as prescribed by the requirements set out below:
- gain no more than 100CP for first year level courses;
- gain 80CP or 100CP for a Language major (students must choose a non-native language);
- gain 60CP for the major in Linguistics;
- successfully complete the compulsory course 1003LAL Communication: A Linguistic Approach (students undertaking the International English major are exempted from this requirement)
- successfully complete all courses specified as being mandatory for the award;
- gain at least 40CP for third year level courses;
- gain a minimum of 20CP in Cultural Context courses in their area of study:
  o students choosing the Japanese language major must select 20CP from the following courses:
    ▪ 1533LAL [Introduction to Japanese Culture & Society]
    ▪ 1534LAL [Pre-1945 Japan]
    ▪ 2535LAL [Modern Japanese Culture];
- gain a minimum of 20CP in Area Studies courses;
- gain no more than 30CP for courses in which the grade of Pass Conceded (PC) has been obtained:
  o a course for which a Pass Conceded (PC) grade has been awarded does not satisfy prerequisite requirements.

Recommendation:

11.5 The Programs Committee, on the recommendation of the Faculty of Arts Board 3/2005 (June), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Arts in Languages and Applied Linguistics (1116), as detailed in 05/00380017 and 05/00380018, for implementation in semester 1 2006.

17.3 The GBS, in recognising the need for a greater concentration of focus and effort in the interests of improving the quality of its learning and teaching programs, has reduced the current (2005) seventeen, single, three-year undergraduate programs to four, for introduction in 2006: Bachelor of Arts (Politics, Asian Studies and International Relations), Bachelor of Commerce, Bachelor of Business [including Bachelor of Business (Hotel, Tourism, Leisure and Sport)] and the Bachelor of International Business, each containing a range of specialised areas of study. The same program structure running through each of the programs’ re-designed curricula offers scope for a high degree of integration, interdisciplinarity and internationalisation among the four programs and is designed to allow students the opportunity to undertake a multidisciplinary or a more specialised approach to their studies. This streamlined undergraduate program profile makes the School's processes, procedures, learning objectives and graduate outcomes more amenable to the demands of accreditation through AACSB and EQUIS.

The Programs Committee, on the recommendation of the Griffith Business School Board 6/2005 (July), is asked to consider the attached Program Withdrawal Submissions proposing to withdraw the postgraduate programs listed in paragraph 8.3 below, from semester 1, 2006.

The Griffith Business School has undertaken a review of its postgraduate profile in response to the visions outlined in the University’s Academic Plan, Getting Smarter: Business and Law and the GBS Strategic Plan (2005-08), and in our pursuit for
international accreditation with the Association to Advance Collegiate Schools of Business (AACSB - International) and the European Foundation for Management Development’s Quality Improvement System (EQUIS). Under the Associate Dean, Postgraduate Studies, five Postgraduate Program Review Working Party Clusters were established to consider the Griffith Business School’s strategy in relation to its postgraduate profile. The collective recommendation of the Working Party Clusters was the withdrawal of the existing postgraduate programs, and the introduction of seven suites of programs to provide a distinct area of specialisation. The new program suites that resulted combined the advantages of the existing programs with the changing needs of Griffith University. These programs will provide a consistent approach to postgraduate study within the GBS and address the requirements for accreditation with the above associations, in addition to the Australian University Quality Agency.
