AGENDA

1.0 APOLOGIES

Apologies can be recorded by telephoning Trish MacElroy on extension 57884, or by emailing T.MacElroy@griffith.edu.au.

2.0 CONFIRMATION OF MINUTES

The minutes of the 2/2006 meeting have been circulated.

3.0 CHAIR’S REPORT

The Chair will report on items of importance to the Committee since its last meeting.

ORDERING OF THE AGENDA

At this point in the agenda, members may propose that any matter on the agenda, not included in Section I, be so included.

The New Program Approval - Programs Committee Checklist (04/0893) is attached at the end of this Agenda for reference.

SECTION I: MATTERS FOR DEBATE AND DECISION

4.0 AES NEW PROGRAM SUBMISSION 2006/0002535

3183 GRADUATE CERTIFICATE IN HEALTH MANAGEMENT
5451 MASTER OF HEALTH MANAGEMENT

4.1 The Programs Committee, on the recommendation of the Faculty of Environmental Science Board 2/2006 (11 May 2006), is asked to consider the attached New Program Submission proposing to establish the Graduate Certificate in Health Management (3183) and Master of Health Management (5451), as detailed in 2006/0002535, for introduction in semester 2, 2007.

4.2 A partnership has been established between Griffith University, the Ministry of Health (MOH), Indonesia and the University of Indonesia, to further international opportunities between Indonesia and Australia by developing a sustainable program which meets the academic and professional needs of middle and senior managers of the MOH across Indonesia.

4.3 The Master of Health Management is designed for senior staff in the MOH who have completed the Master of Public Health (University of Indonesia). Through completion of the Master of Public Health (UI), students will have an understanding of population health and health promotion. The subsequent completion of the Master of Health Management at Griffith University will provide students with skills and knowledge in modern management theory and practice.
4.4 To be eligible for the award of Graduate Certificate in Health Management (GCertHMgt), a student must acquire 40CP as described below:
- Gain 40CP for core courses.

4.5 To be eligible for the award of Master of Health Management (MHMgt), a student must acquire 80CP as described below:
- Gain 40CP for core courses;
- Gain 40CP for the dissertation courses
Or
- Gain 40CP for core courses;
- Gain 20CP for electives as approved by the Program Convenor;
- Gain 20CP for the Masters Project
- A student shall gain no more than 10CP of the total 80CP in courses in which the grade of Pass Conceded (PC) has been attained.

Recommendation:

4.6 The Programs Committee, on the recommendation of the Faculty of Environmental Science Board 2/2006 (11 May 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing to establish the Graduate Certificate in Health Management (3183) and Master of Health Management (5451), as detailed in 2006/0002535, for introduction in semester 2, 2007.

For approval

5.0 EDN SUBMISSION FOR MAJOR CHANGE 2006/0003517
5129 MASTER OF EDUCATION

5.1 The Programs Committee, on the recommendation of the Faculty of Education Board (15 May 2006) and the Contemporary Arts, Music and Media Board (16 May 2006), is asked to consider the attached Major Change Submission proposing changes to the Master of Education (5129), as detailed in 2006/0003517, for implementation in summer semester 2006.

5.2 The Queensland Conservatorium proposes to introduce a new 40CP Music Education Specialisation into the Master of Music Education, which will also provide, as an exit point, a Graduate Certificate in Music Education. Students will be required to enrol in the Master of Education initially, but may exit after successful completion of the 40CP Music Education specialisation. The submission contains the information to establish the Graduate Certificate on the student system. A list of electives for this specialisation will be tabled at the meeting.

5.3 The music education specialisation/Graduate Certificate will provide a unique opportunity for teachers to engage in an award program for professional development. The major purpose of the proposal is to provide existing teachers with a specialisation in music, and for teachers to upgrade existing qualifications and skills. This includes the training of Education Queensland primary teachers seeking a music education qualification to enable them to take up a music specialisation position.

5.4 Admission requirements are to be amended as follows:
Applicants for admission to the Master of Education are required to hold
- a bachelors degree from a recognised tertiary institution or equivalent qualification, or equivalent
- Music Education specialisation
- in addition to meeting admission requirements for the Master of Education, selection for admission to this specialisation will be made on a successful interview. Arrangements may be made for interviews to be conducted by distance.
Recommendation:

5.5 The Programs Committee, on the recommendation of the Faculty of Education Board (15 May 2006) and the Contemporary Arts, Music and Media Board (16 May 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Master of Education (5129), as detailed in 2006/0003517, for implementation in summer semester 2006.

For approval

6.0 LAL MAJOR CHANGE SUBMISSION 2006/0002036
1116 BACHELOR OF ARTS IN LANGUAGES AND APPLIED LINGUISTICS

6.1 The Programs Committee, on the executive recommendation of the Acting Dean, Faculty of Arts (11 May 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Arts in Languages and Applied Linguistics (1116), as detailed in 2006/0002036, for implementation in semester 1 2007.

6.2 The School of Languages and Applied Linguistics proposes, in the face of falling enrolments, to withdraw the Thai major and associated courses from 2007. Students currently in the program and undertaking this major will be able to complete all requirements.

6.3 Other programs affected by the withdrawal of this major are:
1016/1021/1022 Bachelor of Arts
1291/1292 Bachelor of Arts (Politics, Asian Studies and International Relations)
1144 Bachelor of Arts in Asian and International Studies
1230/1293 Bachelor of Arts/Bachelor of Business
1229/1294 Bachelor of Arts/Bachelor of Commerce
1108 BIB/BA Asian and Int Studies
1276/1277 B Law/B Arts
1147 BA (Asian and Int Studies)/B Communication
1106/1301 B IB/B Commerce
1295/1296 B IB/B Business
1105/1107 B IB
1119/1135 B Laws/B IB

Recommendation:

6.4 The Programs Committee, on the executive recommendation of the Acting Dean, Faculty of Arts (11 May 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Arts in Languages and Applied Linguistics (1116), as detailed in 2006/0002036, for implementation in semester 1 2007.

For approval

7.0 HSV SPECIAL PURPOSE SUBMISSION 2006/0003038
1282 BACHELOR OF SOCIAL WORK

7.1 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 4/2006 (24 May 2006), is asked to consider the attached Special Purpose Submission proposing changes to the Bachelor of Social Work (1282), as detailed in 2006/0003038, for implementation in semester 2 2006.

7.2 It is proposed that the Bachelor of Social Work be made available to international students. It is expected that the degree will be attractive to an international market, as Australian social work degrees are well-regarded internationally. The Bachelor of Social Work was introduced in 2006 and has already attracted enquiries from a small number of international students. The School of Human Services seeks to extend the options
available. The International Office believes there is an available market for the Griffith University social work degree amongst Canadian students graduating from the college system who wish to obtain an internationally-recognised professional qualification.

7.3 The English language requirements are in line with the standard requirements for undergraduate programs.

Recommendation:

7.4 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 4/2006 (24 May 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Bachelor of Social Work (1282), as detailed in 2006/0003038, for implementation in semester 2 2006.

For approval

8.0 HSV SPECIAL PURPOSE SUBMISSION 2006/0003044
1098 BACHELOR OF HUMAN SERVICES

8.1 The Programs Committee, on the executive recommendation of the Dean (Learning and Teaching), Griffith Health (9 May 2006), is asked to consider the attached Special Purpose Submission proposing changes to the Bachelor of Human Services (1098), as detailed in 2006/0003044, for implementation in semester 2 2006.

8.2 All majors in the Bachelor of Human Services, other than the Generic major, have either 20 or 10 credit points of unspecified electives. Students in the Generic major are currently required to complete 70 CP of specified electives. It is proposed to change this requirement to 50 CP of specified second or third year electives and 20 CP of unspecified electives. This change increases the educational breadth of the program, brings it into line with other majors and with the Academic Plan.

Recommendation:

8.3 The Programs Committee, on the executive recommendation of the Dean (Learning and Teaching), Griffith Health (9 May 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Bachelor of Human Services (1098), as detailed in 2006/0003044, for implementation in semester 2 2006.

For approval

9.0 HSV SPECIAL PURPOSE SUBMISSION 2006/0003047
3050 GRADUATE CERTIFICATE IN CASE MANAGEMENT

9.1 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 4/2006 (24 May 2006), is asked to consider the attached Special Purpose Submission proposing a change of program title for the Graduate Certificate in Case Management (3050), as detailed in 2006/0003047, for implementation in semester 1 2007.

9.2 The School of Human Services is proposing to change the program title of the Graduate Certificate in Case Management to the Graduate Certificate in Rehabilitation Case Management. The current title suggests a much broader focus on case management, which is not reflected in the content of the courses. The courses in this program are specific to the occupational rehabilitation industry and therefore focus on case management in this context.
Recommendation:

9.3 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 4/2006 (24 May 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing a change of program title for the Graduate Certificate in Case Management to **Graduate Certificate in Rehabilitation Case Management** (3050), as detailed in 2006/0003047, for implementation in semester 1 2007.

For approval

10.0 **DOH SPECIAL PURPOSE SUBMISSION 2006/0003518**

5402 MASTER OF DENTAL TECHNOLOGY IN PROSTHETICS

10.1 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 4/2006 (24 May 2006), is asked to consider the attached Special Purpose Submission proposing changes to the Master of Dental Technology in Prosthetics (5402), as detailed in 2006/0003518, for implementation in semester 1 2007.

10.2 The School of Dentistry and Oral Health proposes to admit international students into this postgraduate program and to change admission requirements for Australian students and a part-time program structure.

10.3 The School of Dentistry and Oral Health and the International Student Centre have been receiving a number of queries from international students wishing to undertake the Master of Dental Technology in Prosthetics. Recent changes to the regulations within the Dental Technicians and Dental Prosthetists Registration Act 2004 have made it possible to allow international students to undertake study and clinical work legally in Queensland.

10.4 The English Language Requirements for admission to this program are proposed to be the same as the approved requirements for the School of Dentistry undergraduate programs, that is:

- A minimum score of 580 on TOEFL (Test of English as a Foreign Language); or
- A computerized TOEFL score of 237
- A minimum overall band score of 7 on IELTS (International English Language Testing System) with no sub-score of less than 6.5; or
- No score less than 3+ in each skill of the ISLPR (International Second Language Proficiency Rating)

English test results must be no more than two years old

10.5 Under current Admission requirements a prospective student must have at least two-years post-registration laboratory experience. This does not allow graduates of the School of Dentistry and Oral Health Bachelor of Oral Health in Dental Technology to articulate straight into the Master of Dental Technology in Prosthetics. To improve enrolment numbers the School seeks to have approved the changes outlined in the submission.

Recommendation:

10.6 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 4/2006 (24 May 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Master of Dental Technology in Prosthetics (5402), as detailed in 2006/0003518, for implementation in semester 1 2007.

For approval

11.0 **EVP SPECIAL PURPOSE SUBMISSION 2006/0002530**

1086/1279 BACHELOR OF ENVIRONMENTAL PLANNING

11.1 The Programs Committee, on the recommendation of the Faculty of Environmental Sciences Board 2/2006 (11 May 2006), is asked to consider the attached Special Purpose Submission...
Submission proposing changes to the Bachelor of Environmental Planning (1086/1279), as detailed in 2006/0002530, for implementation in semester 2 2006.

11.2 The Gold Coast offering of the Bachelor of Environmental Planning program (1279) was approved at the 6/2005 meeting of Programs Committee. At that time the inconsistency between the program structure and the degree requirements was not noted and this submission is being put forward in order to align the degree requirements with the approved program structure for each program.

11.3 The revised degree requirements for the Gold Coast offering (1279) of this program are as follows:

To be eligible for the award of Bachelor of Environmental Planning (BEnvPlan), a student must acquire 320CP as prescribed below:
- complete 230CP-240CP of courses prescribed in the Professional Planning Core as listed in Table [A];
- students (other than mid-year entry students) must complete 70CP of first year courses prior to undertaking any second, third or fourth year Environmental Planning courses unless approval is granted by the Head of School;
- complete 40CP of Pass Stream courses listed in Table [B];
- complete 50CP-40CP of specialisation elective courses to be selected either from the list in Table [C]—or, from other areas of the University, subject to availability unless approval for an alternative selection is given by the Head of School;
- complete a maximum of 30CP of courses at first year level from Table [C];
- notwithstanding the amount of credit which may be given towards a bachelors degree, students undertaking a four year degree are required to complete a minimum of 110CP of second, third and fourth year courses which are part of the degree requirements and which have not been credited towards another degree;
- gain no more than 40CP (of the total 320CP) for courses in which the grade of Pass Conceded (PC) has been attained.

11.4 The revised degree requirements for the Nathan offering (1086) of this program are as follows:

To be eligible for the award of Bachelor of Environmental Planning (BEnvPlan), a student must acquire 320CP as prescribed below:
- complete 230CP of courses prescribed in the Professional Planning Core as listed in Table [A];
- students (other than mid-year entry students) must complete 70CP of first year courses prior to undertaking any second, third or fourth year Environmental Planning courses unless approval is granted by the Head of School;
- complete 40CP of Pass Stream courses listed in Table [B];
- complete 50CP of specialisation elective courses to be selected either from the list in Table [C]—unless approval for an alternative selection is given by the Head of School; or, courses from other areas of the University, subject to availability.
- complete a maximum of 30CP of courses at first year level from Table [C];
- notwithstanding the amount of credit which may be given towards a bachelors degree, students undertaking a four year degree are required to complete a minimum of 110CP of second, third and fourth year courses which are part of the degree requirements and which have not been credited towards another degree;
- gain no more than 40CP (of the total 320CP) for courses in which the grade of Pass Conceded (PC) has been attained.

11.5 The Faculty of Environmental Sciences Board has accepted that this change needs to be made so that current degree requirements are consistent with the current program structure. However the Board has issued a request to the host School to find an alternative solution for implementation from 2007 to ensure that degree requirements for the two campus offerings of the program are the same.
Recommendation:

11.6 The Programs Committee, on the recommendation of the Faculty of Environmental Sciences Board 2/2006 (11 May 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Special Purpose Submission proposing changes to the Bachelor of Environmental Planning (1086/1279), as detailed in 2006/0002530, for implementation in semester 2 2006.

For approval

SECTION II: MATTERS REQUIRING RATIFICATION OR EXECUTIVE ACTION

12.0 GBS NEW PROGRAM SUBMISSION 2006/0007296
3193 GRADUATE CERTIFICATE IN AUSTRALIAN MIGRATION LAW

12.1 The Programs Committee, on the recommendation of the Griffith Law School Board (9 May 2006), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the attached New Program Submission proposing to establish the Graduate Certificate in Australian Migration Law and Practice (3193), as described in 2006/0007296, from semester 2, 2006.

12.2 Due to the Migration Agents Registration Authority (MARA) introducing the Graduate Certificate in Australian Migration Law and Practice from July 2006, the law will require people who want to become a migration agent, who do not hold a current legal practicing certificate, to have completed this postgraduate program. The program has been developed for the migration advice profession, in conjunction with Australian National University, Griffith University, Murdoch University, and Victoria University. The Graduate Certificate is open to both lawyers and those without a legal background and is intended for those seeking to apply for registration as an Australian migration agent.

12.3 To be eligible for the award of a Graduate Certificate in Australian Migration Law and Practice (GCertAusMigrationLaw&Prac), a student must acquire 40CP as prescribed below:
- Gain 40CP for core courses; and
- The grade of Pass Conceded (PC) will not be awarded for any courses in this program.

Recommendation

12.4 The Programs Committee, on the recommendation of the Griffith Law School Board (9 May 2006), is asked ratify the Chair’s executive action in recommending to the Academic Committee the New Program Submission proposing to establish the Graduate Certificate in Australian Migration Law and Practice (3193), as described in 2006/0007296, from semester 2, 2006.

For ratification

SECTION III: MATTERS FOR NOTING AND WHERE APPROPRIATE, ACCEPTANCE OF RECOMMENDATIONS

13.0 GBS PROGRAM WITHDRAWAL 2006/0007285
5379, 5380 MASTER OF MANAGEMENT (RESEARCH)

13.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (5 May 2006), is asked to consider the attached submission proposing to withdraw the Master of Management (Research) (5379, 5380), as detailed in 2006/0007285, from semester 1 2007.

13.2 The former Faculty of Commerce and Management introduced the Master of Management (Research) in Semester 1, 2003, in response to two emerging trends. First,
the increasing demand from within the business community for management practitioners qualified to undertake sound, professional research. Secondly, to provide an alternative to the RHD Qualifying Program where students can develop research skills at a level equivalent to the undergraduate honours students while achieving an award of the University. However, enrolment numbers have been much lower than originally projected. In 2005, the Griffith Business School considered the performance of a number of postgraduate programs. In light of this review and the GBS’ strategic direction, with the goals of improving program quality and avoiding the proliferation of programs, and to achieve consistency with the Academic Plan and the “Getting Smarter” initiative, this program will be withdrawn.

13.3 While it is proposed to withdraw this program, prospective research students may consider one of the “Masters with Honours” programs offered by the Griffith Business School, or the RHD Qualifying Program. Transition arrangements are included in the submission.

Recommendation:

13.4 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (5 May 2006), is asked to recommend to the Academic Committee the withdrawal of the Master of Management (Research) (5379, 5380), as detailed in 2006/0007285, from semester 1 2007.

For approval

14.0 GBS PROGRAM WITHDRAWAL 2006/0007284
3066 GRADUATE CERTIFICATE IN LEISURE MANAGEMENT
5203 MASTER OF LEISURE MANAGEMENT
5205 MASTER OF LEISURE MANAGEMENT WITH HONOURS

14.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (2 May 2006), is asked to consider the attached submission proposing to withdraw the Graduate Certificate in Leisure Management (3066), Master of Leisure Management (5203) and Master of Leisure Management with Honours (5205), as detailed in 2006/0007284, from semester 1 2006.

14.2 The simultaneous introduction of the University’s Academic Plan in early 2004 and the need to develop new policies and procedures associated with pursuit of accreditation with AACSB and EQUIS provided the context and rationale for a review of the Griffith Business School’s postgraduate program profile. As a result of this review, the proposed Master of Business and Master of Business with Honours programs will replace all postgraduate niche degrees currently serviced by the Department of Tourism, Leisure, Hotel and Sport Management – including the Master of Leisure Management program suite.

Recommendation:

14.3 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (2 May 2006), is asked to recommend to the Academic Committee the withdrawal of the Graduate Certificate in Leisure Management (3066), Master of Leisure Management (5203) and Master of Leisure Management with Honours (5205), as detailed in 2006/0007284, from semester 1 2006.

For approval

15.0 HSV PROGRAM WITHDRAWAL 2006/0003028
5172 MASTER OF HUMAN SERVICES BY RESEARCH WITH HONOURS

15.1 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) (4/2006, 24 May 2006), is asked to consider the attached submission proposing to
withdraw the Master of Human Services by Research with Honours (5172), as detailed in 2006/0003028, from semester 2 2006.

15.2 The School of Human Services and the Office of Graduate Studies recommend withdrawal of this program. It was approved in 1999 as a research higher degree (research masters). There have been no enrolments in the program since introduction.

Recommendation:

15.3 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) (4/2006, 24 May 2006), is asked to recommend to the Academic Committee the withdrawal of the Master of Human Services by Research with Honours (5172), as detailed in 2006/0003028, from semester 2 2006.

For approval

16.0 NRS PROGRAM WITHDRAWAL 2006/0003050
5430 MASTER OF NURSING (CORNERSTONE)
5431 MASTER OF NURSING WITH HONOURS (CORNERSTONE)

16.1 The Programs Committee, on the executive recommendation of the Dean, Learning and Teaching, Griffith Health (24 May 2006), is asked to consider the attached submission proposing to withdraw the Master of Nursing – Cornerstone (5430) and the Master of Nursing (Honours) - Cornerstone (5431), as detailed in 2006/0003050, from semester 2 2006.

16.2 No students have been admitted to these programs, and it is now proposed they be withdrawn.

Recommendation:

16.3 The Programs Committee, on the executive recommendation of the Dean, Learning and Teaching, Griffith Health (24 May 2006), is asked to recommend to the Academic Committee the withdrawal of the Master of Nursing – Cornerstone (5430) and the Master of Nursing (Honours) - Cornerstone (5431), as detailed in 2006/0003050, from semester 2 2006.
