AGENDA

1.0 APOLOGIES
Apologies can be recorded by telephoning Trish MacElroy on extension 57884, or by emailing T.MacElroy@griffith.edu.au.

2.0 CONFIRMATION OF MINUTES
The minutes of the 9/2005 meeting have been circulated.

3.0 CHAIR’S REPORT
The Chair will report on items of importance to the Committee since its last meeting.

ORDERING OF THE AGENDA
At this point in the agenda, members may propose that any matter on the agenda, not included in Section I, be so included.

The New Program Approval - Programs Committee Checklist (04/0893) is attached at the end of this Agenda for reference.

SECTION I: MATTERS FOR DEBATE AND DECISION

4.0 CHANGES TO ACADEMIC POLICIES RELATING TO STRUCTURE OF DEGREES, HONOURS POLICY & RELATED DEGREE POLICIES

4.1 The Honours Taskforce delivered its report The Future of Honours at Griffith – the Final Report (2005/0000411) to the University in March 2005. The Report made five major recommendations. The first of the recommendations is as follows:
  Review the structure of the honours degree and its relationship with the Bachelors and Masters degrees to provide a more effective approach to research training; including identification of the signature experience for honours.

4.2 A Working Party was established to review the structure of the honours and coursework degrees. At the 1/2005 meeting of the Working Party the following key outcomes were agreed:
  - Amend the four policies - Structure and Requirements of Degrees Awarded by Griffith University, Bachelors Degree Policy, Honours Programs – Requirements and Administration, and Policy for the Award of Masters Degrees other than the Master of Philosophy plus other related policies.
  - Prepare a Discussion paper with supporting arguments for change within each of the policies.
  - List the non-policy issues that require further consideration and action.
4.3 Revisions to the policies have been undertaken by the Working Party and a discussion paper has been prepared. A new policy, ‘The role of the Honours Convenor’ has also been proposed. A summary of the changes is included in the Discussion Paper. Attached for consideration are:
- Discussion paper - Reviewing the Structure of the Honours Degree and its Relationship with the Bachelors and Masters Degrees (2005/0035305)
- Bachelors Honours Degree Policy (2005/0035308)
- Structure and Requirements of Degrees awarded by Griffith University (2005/0035309)
- Bachelors Degree Policy (2005/0035307)
- Policy for the Award of Masters Degrees other than the Master of Philosophy (2005/0035306)
- Role of the Honours Convenor (2005/0025031)

4.4 The Programs Committee is asked to consider the proposed revisions to the existing policies and the proposed new policy. In particular, the Committee is asked to consider the proposal that the current requirement for a minimum of 40CP at final year level be increased to 60CP (see Bachelor’s Degree Policy). Feedback is to be provided to the Learning and Teaching Committee for consideration at its 3 April meeting.

For consideration

5.0 NRS SPECIAL PURPOSE SUBMISSION 2006/0003013
5424 MASTER OF ADVANCED PRACTICE
5425 MASTER OF ADVANCED PRACTICE WITH HONOURS

5.1 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) (1/2006), is asked to consider the attached Special Purpose Submission proposing changes to the Master of Advanced Practice (5424) and Master of Advanced Practice with Honours (5425), as detailed in 2006/0003013, for implementation in semester 2 2006.

5.2 It is proposed that the following changes be made to these programs. These changes are designed to update, clarify and integrate the Community Health and General Practice Nursing strands within the Master of Advanced Practice / Master of Advanced Practice with Honours.
- Change in the title of the Community Health strand
  It is proposed that the title of the existing “Community Health” strand be changed to “Community and Primary Health Care”. This change in title will encompass broader areas of practice, in particular appealing to nurses working in general practice, and primary care settings such as home visiting nurses.
- Choices within the Community and Primary Health Care strand
  There is currently confusion as to the nomenclature of 'specially option' within the existing Community Health strand. To address this, the choices offered within the newly named strand will now be called “Community and Primary Health Care Options”.
- Update of courses offered within the Community and Primary Health Care strand
  Courses offered within the Community and Primary Health Care strand of the Master of Advanced Practice / Master of Advanced Practice with Honours will be updated to take account of recent changes (addition of four elective PBH courses and withdrawal of one elective PBH course from the Health Promotion and Public Health Option, name and code changes) to offerings within the Griffith University Master of Public Health, and the Child and Family Health courses offered by the Australian Catholic University.
- Withdrawal of the General Practice Nursing strand, and its incorporation as an option within the new Primary Health Care strand
  To date, enrolment numbers in this strand have been small. Therefore, to consolidate, simplify and add efficiency to the program, the General Practice Nursing strand will be withdrawn as a stand alone strand and incorporated as an option
within the new Community and Primary Health Care strand of the Master of Advanced Practice / Master of Advanced Practice with Honours.

Recommendation:

5.3 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) (1/2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Master of Advanced Practice (5424) and Master of Advanced Practice with Honours (5425), as detailed in 2006/0003013, for implementation in semester 2 2006.

For approval

6.0 MED SPECIAL PURPOSE SUBMISSION 2006/0003010
5433 MASTER OF SCIENCE IN MEDICAL RESEARCH

6.1 The Programs Committee, on the executive recommendation of the Dean Griffith Health (22 February 2006), is asked to consider the attached Special Purpose Submission proposing changes to the Master of Science in Medical Research (5433), as detailed in 2006/0003010, for implementation in semester 2 2006.

6.2 The Master of Science in Medical Research is a one-year full-time program and was approved for introduction in Semester 1, 2006 at the 7/2005 (October) Programs Committee meeting.

6.3 The approved delivery mode is for two semesters of full-time or four semesters of part-time study, without provision for a mid-year intake. The School of Medical Science proposes a mid-year intake for this program. The proposed structure for F/T mid-year intake reflects the existing Honours program structure for mid-year intake.

Recommendation:

6.4 The Programs Committee, on executive recommendation of the Dean Griffith Health (22 February 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Master of Science in Medical Research (5433), as detailed in 2006/0003010, for implementation in semester 2 2006.

For approval

7.0 GBS SPECIAL PURPOSE SUBMISSION 2006/0007254
5275 MASTER OF PUBLIC ADMINISTRATION

7.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School (10 February 2006), is asked to consider the attached Special Purpose Submission proposing changes to the Master of Public Administration (5275), as detailed in 2006/0007254, for implementation in semester 1 2006.

7.2 The Griffith Business School proposes the change to enable students without a tertiary education to gain admission to the program. There are many prospective students in the workforce who do not hold a tertiary qualification, but have valuable work experience.

7.3 The revised admission requirements are as follows:

To be eligible for admission to the Master of Public Administration program, a student must:

- hold a bachelors degree in any discipline from a recognised University (or another tertiary education institution of equivalent standing) with a minimum Grade Point Average (GPA) of 4.0 [using a 7.0 scale]; and

OR
- have at least three years work experience in the Australian Public Service at the level of Queensland-AO5 and above or equivalent;

OR

- students who have completed the Graduate Certificate in Public Sector Leadership via Open Universities Australia (3153) will be able to articulate into the Griffith University Master of Public Administration program.

Recommendation:

7.4 The Programs Committee, on executive recommendation of the Chair of the Griffith Business School (10 February 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Master of Public Administration (5275), as detailed in 2006/0007254, for implementation in semester 1 2006.

For approval

8.0 GBS SPECIAL PURPOSE SUBMISSION 2005/0037422
1035, 1285, 1286 BACHELOR OF COMMERCE

8.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School (19 December 2005), is asked to consider the attached Special Purpose Submission proposing changes to the Bachelor of Commerce (1035 NA, 1285 LO, 1286 GC), as detailed in 2005/0037422, for implementation in semester 1 2006.

8.2 The New Program Submission for revised GBS programs (refer 2005/0007680 approved at the July 2005 Programs Committee meeting) stated that “a business law course, 3106AFE Introduction to Business Law, sits outside the Majors and Minors but must be taken by all Bachelor of Commerce students at some point in the program”. While the majority of Award Major structures include this course as a compulsory course within their requirements, there are some that do not and this requirement was not appropriately reflected in the degree rules. This submission does not change the rationale of the already approved new program offerings, but rather corrects previously approved information and better presents this information in the Program Catalogue, and also provides consistency across all GBS undergraduate programs.

8.3 It is proposed to amend the degree requirements, to be consistent across all GBS undergraduate programs, as follows:
To be eligible for the award of the Bachelor of Commerce (BCom), a student must acquire 240CP as prescribed below:

OPTION 1
- gain 80CP for Year 1 courses; and
- successfully complete the Learning Development Workshops in Year 1 before proceeding to Year 2 and 3 courses; AND
- gain 160CP for courses in Years 2 and 3 including:
  - at least one 80CP GBS Award major [including the successful completion of the course 2105AFE Introduction to Business Law (10CP)]; AND
  - a 60CP for a GBS minor and 20CP for electives.

OPTION 2
- gain 80CP for Year 1 courses; and
- successfully complete the Learning Development Workshops in Year 1 before proceeding to Year 2 and 3 courses; AND
- gain 160CP for courses in Years 2 and 3 including:
  - at least one 80CP Award major [including the successful completion of the course 2105AFE Introduction to Business Law (10CP)]; AND
  - a second 80CP major from the list of Griffith Business School (GBS) Majors.
OPTION 3
- gain 80CP for Year 1 courses; and
- successfully complete the Learning Development Workshops in Year 1 before proceeding to Year 2 and 3 courses; AND
- gain 160CP for courses in Years 2 and 3 including:
  o at least one 80CP Award major (including the successful completion of the course 2105AFE Introduction to Business Law (10CP)); AND
  o OR a second 80CP major from the list of GBS majors;
  o OR a second major (and electives as appropriate to total 80CP) from those offered by other Faculties within the University (which must be identified as a major by the other Faculty and completed according to their requirements); OR
  o 80CP electives
  o OR 80CP for electives; and

AND, for each of the three options above:
- complete at least 40CP at Year 3 level; and
- complete no more than 100CP of courses at Year 1 level; and
- gain no more than 30CP for courses in which the grade of Pass Conceded (PC) has been attained.

Students wishing to meet the Accounting Professional Bodies accreditation requirements must acquire 240CP as prescribed below:
- gain 80CP for Year 1 courses; and
- successfully complete the Learning Development Workshops in Year 1 before proceeding to Year 2 and 3 courses; and
- gain 160CP for courses in Years 2 and 3 including:
  o 100CP for the Accounting Award major (including the successful completion of the course 2105AFE Introduction to Business Law (10CP)); AND
  o 60CP for a GBS minor;
  o OR a second major (and electives as appropriate to total 60CP) from those offered by other Faculties within the University (which must be identified as a major by the other Faculty and completed according to their requirements);
  o OR 60CP for electives; and

AND
- complete at least 40CP at Year 3 level; and
- complete no more than 100CP of courses at Year 1 level; and
- gain no more than a total of 20CP (10CP in the Accounting major only) for courses in which the grade of Pass Conceded (PC) has been attained.

Recommendation:

8.4 The Programs Committee, on executive recommendation of the Chair of the Griffith Business School (19 December 2005), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Bachelor of Commerce (1035 NA, 1285 LO, 1286 GC), as detailed in 2005/0037422, for implementation in semester 1 2006.

For approval

9.0 NRS SPECIAL PURPOSE SUBMISSION 2006/0003007
1161, 1162, 1165 BACHELOR OF NURSING

9.1 The Programs Committee, on the executive recommendation of the Acting Dean of Griffith Health (8 February 2006), is asked to consider the attached Special Purpose Submission proposing changes to the Bachelor of Nursing (1161, 1162, 1165), as detailed in 2006/0003007, for implementation in semester 1 2006.
The ‘Attendance’ information on the program catalogue currently advises students undertaking the Bachelor of Nursing at the Nathan, Gold Coast and Logan campuses that they ‘may choose to study non-clinical courses at other campuses if or where the program structure allows.’ The School of Nursing and Midwifery had previously discussed this issue at a School Committee meeting (1/2001) and agreed that students enrolled at a specific campus must attend classes at that campus and NOT be allowed to swap between campuses. However, no further action was taken in relation to this decision. The School of Nursing and Midwifery revisited this issue at its 1/2006 meeting and agreed that, due to the limitations on available resources, students may only study courses at the campus of enrolment. If students wish to attend a specific campus, an internal transfer may be sought. The School of Nursing and Midwifery recommend that the sentence stating that students ‘may choose to study non-clinical courses at other campuses if or where the program structure allows’ be removed from attendance information on the program catalogue.

Recommendation:

9.3 The Programs Committee, on executive recommendation of the Acting Dean of Griffith Health (8 February 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Bachelor of Nursing (1161, 1162, 1165), as detailed in 2006/0003007, for implementation in semester 1 2006.

For approval

SECTION II: MATTERS REQUIRING RATIFICATION OR EXECUTIVE ACTION

10.0 GLS NEW PROGRAM SUBMISSION 2005/0037383
1304, 1305 BACHELOR OF LAWS/BACHELOR OF SCIENCE

10.1 The Programs Committee, on the executive recommendation of the Acting Dean of the Griffith Business School (20 December 2005) and the Dean, Faculty of Science (25 October 2005), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the New Program Submission proposing to establish the Bachelor of Laws/ Bachelor of Science (1304 NA, 1305 GC), as described in the attached submission 2005/0037383, from semester 1, 2006.

10.2 The primary purpose of this program is to bring the benefits of Griffith’s interdisciplinary approach to the study of law to a group of students who are attracted to scientific issues and the wide career opportunities that it includes. It is proposed that the combined nature of the program means that students have an understanding of the complex relationship between legal and scientific practices, specific to their major/specialisation. Proposed majors/specialisations include: Physics; Applied Mathematics; Chemistry; Medicinal Chemistry; Science, Technology and Society; Biological Sciences; Biochemistry and Molecular Biology; and Bioanalytical Chemistry.

10.3 To be eligible for the award of Bachelor of Laws/Bachelor of Science (LLB/BSc) a student must acquire 490CP as prescribed below:
- Gain a maximum of 90CP for the prescribed first year courses which include:
  o 50CP for law courses; and
  o 40CP for science courses;
  o it is a general requirement that students must have successfully completed all courses in the first year before proceeding to second year courses;
- Gain a total of 400CP for second, third, fourth and fifth year courses which include:
  o 280CP for law courses comprising:
    ▪ 200CP for the compulsory law courses; and
    ▪ 80CP for law electives (including 10CP for an international/comparative law elective and 10CP for a law in context elective);
  o 120CP for science courses which include:
    ▪ at least one major from the list of science-approved majors; and
- electives;
  o Gain no more than 10CP for elective law courses in which the grade of Pass Conceded (PC) has been attained - please note that Griffith Law School policy does not allow for core law courses to be awarded the grade of Pass Conceded;
  o Gain no more than 20CP of the total 120CP in respect of second and third year science-approved courses in which the grade of Pass Conceded (PC) has been attained.

Recommendation

10.4 The Programs Committee, on the executive recommendation of the Acting Dean of the Griffith Business School (20 December 2005) and the Dean, Faculty of Science (25 October 2005), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the New Program Submission proposing to establish the Bachelor of Laws/ Bachelor of Science (1304 NA, 1305 GC), as described in the submission 2005/0037383, from semester 1 2006.

For ratification

11.0 ATS NEW ACADEMIC PLAN SUBMISSION 2005/0037848
1021, 1022, 1016 BACHELOR OF ARTS

11.1 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Arts Board (11 January 2006), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the New Academic Plan Submission proposing to establish an International English major in the Bachelor of Arts (1021 NA, 1022 LG, 1016 GC), as described in the attached submission 2005/0037848, from semester 1, 2006.

11.2 The courses offered in the proposed 60CP major in International English are designed to equip students from a non-English speaking background (NESB) with a professional level of English, as well as enable them to develop the skills necessary to analyse English in intercultural communicative settings. A variety of authentic texts and media are used in covering a wide range of issues related to the use of English as an international language.

11.3 The inclusion of the major in the BArts will alleviate the problems faced by international students in the program who have in the past sought to complete Literature studies courses as a means of improving their level of English. The major will facilitate the progress of international students through the BArts, therefore addressing some retention issues within the Faculty.

Recommendation

11.4 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Arts Board (11 January 2006), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the New Academic Plan Submission proposing to establish an International English major in the Bachelor of Arts (1021 NA, 1022 LG, 1016 GC), as described in the submission 05/0037848, from semester 1 2006.

12.0 GBS NEW ACADEMIC PLAN SUBMISSION 2005/0037420

12.1 The Programs Committee, on the recommendation of the Griffith Business School Board (10/2005), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the New Academic Plan Submission proposing to establish an award major (80CP) entitled Logistics and Supply Chain Management in the Bachelor of Business (1021 NA, 1022 LG, 1016 GC), and a minor (60CP) entitled Logistics and Supply Chain Management in the Bachelor of Business (1021 NA, 1022 LG, 1016 GC), Bachelor of Business (Hotel, Tourism, Leisure and Sport, 1289, 1290), Bachelor of Commerce (1035, 1285, 1286), Bachelor of International Business (1105, 1107), Bachelor of Arts (Politics, Asian Studies and International Relations) (1291, 1292), as described in the attached submission 05/0037420, from semester 1, 2006.

12.2 In late 2003, the Pro-Vice Chancellor (Business and Law), as part of the Group’s strategic initiatives, requested a Working Party be established to consider offering a program or major in Logistics and Supply Chain Management. With the implementation of The Griffith Academic Plan in 2004, and the Griffith Business School's objective to review its undergraduate program profile, the Working Party decided to pursue offering of a Major in Logistics and Supply Chain Management.

12.3 Increasing market globalisation, product and manufacturing complexity, economic and industrial specialisation, legislation and the rapid development of information processing capabilities, has transformed the interactions within and between organisations and economies. This changing environment has necessitated managers at all levels of organisations becoming more conversant with the management and control of material and information flows throughout their businesses and associated supply chains. The Logistics and Supply Chain Management academic plan is designed to provide service, operational, engineering, marketing, and commercial managers with the conceptual and practical skills to meet this changing environment and the associated challenges they present to their organisations.

12.4 An 80CP award major and a 60CP minor will be offered in the above-listed programs, and also in the range of relevant combined degree programs offered within the Griffith Business School, the Griffith Law School, the Faculty of Arts and Griffith Health. The addition of the major and minor do not affect degree requirements in these programs.

Recommendation

12.5 The Programs Committee, on the recommendation of the Griffith Business School Board (10/2005), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the New Academic Plan Submission proposing to establish an award major (80CP) entitled Logistics and Supply Chain Management in the Bachelor of Business (1021 NA, 1022 LG, 1016 GC), and a minor (60CP) entitled Logistics and Supply Chain Management in the Bachelor of Business (1021 NA, 1022 LG, 1016 GC), Bachelor of Business (Hotel, Tourism, Leisure and Sport, 1289, 1290), Bachelor of Commerce (1035, 1285, 1286), Bachelor of International Business (1105, 1107), Bachelor of Arts (Politics, Asian Studies and International Relations) (1291, 1292), as described in the submission 05/0037420, from semester 1 2006.
13.0 ATS SPECIAL PURPOSE SUBMISSION 2005/0037381
1230, 1293 BACHELOR OF ARTS/BACHELOR OF COMMERCE

13.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (2 December 2005) and the Chair of the Faculty of Arts Board (14 December 2005), is asked to consider the attached Special Purpose Submission proposing changes to the Bachelor of Arts/Bachelor of Commerce (1230 GC, 1293 NA), as detailed in 2005/0037381, for implementation in semester 1 2006.

13.2 In July 2005 the Programs Committee approved changes to the GBS programs, which significantly reduced the number of single undergraduate programs from seventeen to five, each containing a range of specialised study areas, for introduction in 2006. (Refer submissions 2005/0007679 and 2005/0007680.) The same program structure running through each of the new programs’ re-designed curricula offers scope for a high degree of integration, interdisciplinarity and internationalisation.

13.3 This submission seeks to make provision for the changes to the GBS component of this combined degree program (as approved in 2005/0007679 and 2005/0007680).

13.4 Changes to degree requirements are as follows:
To be eligible for the award of the Bachelor of Arts/Bachelor of Commerce (BA/BCom), a student must acquire 320CP as prescribed below:
- gain a total of 104CP for the prescribed core-first year courses which includes:
  o 80CP for Commerce courses;
  o Successfully complete the Learning Development Workshops in Year 1 before proceeding to Years 2 and 3 courses; and
  o 60CP for Arts-Approved courses;
- gain a maximum of 140CP at first year level;
- gain 180CP for second, third, and fourth year courses which includes:
  - gain a minimum of 40CP for third year courses;
  - gain a minimum of 160CP for Arts-approved courses comprising:
    o 60CP must be at first year level and
    o 100CP must be at second and third year level of Arts-Approved courses comprising:
      ▪ one 60CP Arts-Approved major; and
      ▪ 40CP for Arts-Approved electives;
  - gain a minimum of 40CP for third year courses;
  - gain no more than 40CP for courses in which a grade of Pass Conceded (PC) has been obtained - a course for which a Pass Conceded has been awarded does not satisfy prerequisite conditions.

13.5 Students wishing to meet the Accounting Professional Bodies accreditation requirements must acquire 320CP as prescribed below:
- gain a total of 120CP for the prescribed first year courses which includes:
  o 60CP for Commerce courses;
  o Successfully complete the Learning Development Workshops in Year 1 before proceeding to Years 2 and 3 courses; and
  o 60CP for Arts-Approved courses;
- gain a maximum of 160CP at first year level;
- gain 200CP for second, third, and fourth year courses which includes:
  o 100CP of Arts-Approved courses comprising:
    ▪ one 60CP Arts-Approved major; and
    ▪ 40CP for Arts-Approved electives;
  o 100CP for the Accounting award major;
- gain a minimum of 40CP for third year courses;
- gain no more than 40CP for courses in which a grade of Pass Conceded (PC) has been obtained - a course for which a Pass Conceded has been awarded does not satisfy prerequisite conditions.
Recommendation

13.6 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (2 December 2005) and the Chair of the Faculty of Arts Board (14 December 2005), is asked ratify the Chair’s executive action in recommending to the Academic Committee the Special Purpose Submission proposing changes to the Bachelor of Arts/Bachelor of Commerce (1230 GC, 1293 NA), as detailed in 2005/0037381, from semester 1 2006.

1256 BACHELOR OF HOTEL MANAGEMENT/BACHELOR OF INTERNATIONAL BUSINESS 2005/0037432

14.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School (16 January 2006), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the Special Purpose Submissions proposing to changes to the Bachelor of Hotel Management (1215), Bachelor of Hotel Management/Bachelor of Arts in Japanese (1216), Bachelor of Hotel Management/Bachelor of Business (1217), Bachelor of Business (Academic Plans Hotel Management and Sport Management) and Bachelor of Hotel Management/Bachelor of International Business (1256), as described in the attached submissions 2006/0003507, 2005/0037430, 2005/0037431, 2005/0037435, 2005/0037436 and 2005/0038432 respectively, from semester 1, 2006.

14.2 The change in these programs relates entirely to the practical industry experience requirements. The proposed change is to reduce the requirement of accumulation of 400 hours of practical industry experience prior to entering the final year of study, and a further 200 hours prior to graduation to a single requirement of 250 hours of relevant approved industry experience prior to graduation. The rational for this change, is to align the existing programs for continuing students only with the new program/s 1289/1290 Bachelor of Business (Tourism, Hotel, Leisure, Sport) commencing in Semester 1, 2006

14.3 The relevant degree requirements will be changed to read:
- accumulate at least 400 hours of practical industry experience before entering the fourth year of study;
- accumulate a total of 600 hours of practical industry experience prior to graduation;
- accumulate a minimum of 250 hours of relevant and approved industry experience prior to graduation;

Recommendation

14.4 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School (16 January 2006), is asked ratify the Chair’s executive action in recommending to the Academic Committee the Special Purpose Submissions proposing to changes to the Bachelor of Hotel Management (1215), Bachelor of Hotel Management/Bachelor of Arts in Japanese (1216), Bachelor of Hotel Management/Bachelor of Business (1217), Bachelor of Business (Academic Plans Hotel Management and Sport Management) and Bachelor of Hotel Management/Bachelor of International Business (1256), as described in the submissions 2006/0003507,

1039 BACHELOR OF COMMERCE/BACHELOR OF BEHAVIOURAL SCIENCE

20.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School (November 2005), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the Special Purpose Submission proposing to changes to the Bachelor of Commerce /Bachelor of Behavioural Science (1039), as described in the attached submission 2006/0003509, from semester 1, 2006.
In July 2005 the members of Programs Committee (refer 2005/0007679) approved changes to the GBS programs, which significantly reduced the number of single undergraduate programs from seventeen to five, each containing a range of specialised study areas, for introduction in 2006. The same program structure running through each of the new programs’ re-designed curricula offers scope for a high degree of integration, interdisciplinarity and internationalisation.

This submission seeks to make provision for the changes to the GBS component of this program (as approved in 2005/0007679).

This proposal also seeks to amend the program title and award abbreviation for the Griffith Business School component of this combined degree, and to recognise award majors on testamurs. The proposed title is Bachelor of Business/Bachelor of Behavioural Science. At present graduates currently receive a Bachelor of Commerce testamur. As approved in 2005/0007679, from 2006 all graduates should be eligible for the revised testamur tile, which includes reference to the students’ area of study (referred to as an award major) in business disciplines. For example, upon graduation from the Bachelor of Business/Bachelor of Behavioural Science, students who undertook a Marketing award major will be awarded a Bachelor of Business (Marketing) and a Bachelor of Behavioural Science.

The degree requirements for students admitted from 2006 are as follows:

To be eligible for the award of Bachelor of Business/Bachelor of Behavioural Science (BBus/BBehSc), a student must acquire 320CP as prescribed below:

- Gain a maximum of 110CP for prescribed Year 1 courses which includes:
  - 40CP for Psychology (PSY) courses;
  - 70CP for Griffith Business School courses; and
  - participate in the Learning Development Program in the Recommended Order of Learning Development;

- Gain a total of 210CP for Years 2 to 4 courses which include:
  - 110CP for core Psychology (PSY) courses;
  - 10CP for the advanced Psychology (PSY) elective course selected from a prescribed list;
  - 80CP for a Griffith Business School award major; and
  - 2007PPP Legal Issues for Managers;

- Gain no more than 120CP for Year 1 courses;

- Gain at least 40CP for Year 3 courses; and

- A student shall gain no more than 40CP for courses in which the grade of Pass Conceded (PC) has been attained.

Recommendation

The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School (November 2005), is asked ratify the Chair’s executive action in recommending to the Academic Committee the Special Purpose Submission proposing to changes to the Bachelor of Commerce /Bachelor of Behavioural Science (1039), as described in the submission 2006/0003509, from semester 1 2006.

1128, 1300 BACHELOR OF LAWS/BACHELOR OF COMMERCE

The Programs Committee, on the executive recommendation of the Acting Dean, Griffith Law School (19 January 2006) and the Chair of the Griffith Business School (18 January 2006), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the Special Purpose Submission proposing to changes to the Bachelor of Laws/Bachelor of Commerce (1128 NA, 1300 GC), as described in the attached submission 2006/0003503, from semester 1, 2006.
21.2 At its 4/2005 meeting on 30 June 2005, Programs Committee approved significant changes to the Bachelor of Laws program structure (ref 2005/0007695), to introduce ‘vertical subjects’ across the year levels, removal of core courses in the final year, and reference to final year project and practice ‘capstone’ courses.

21.3 In July 2005 the members of Programs Committee (refer 2005/0007680) approved changes to the GBS programs, which significantly reduced the number of single undergraduate programs from seventeen to five, each containing a range of specialised study areas, for introduction in 2006. The same program structure running through each of the new programs’ re-designed curricula offers scope for a high degree of integration, interdisciplinarity and internationalisation.

21.4 This submission seeks to make provision for the changes to the Griffith Law School and Griffith Business School components of this program (as approved in 2005/0007695 and 2005/0007680).

21.5 The degree requirements for students admitted from 2006 are as follows:
To be eligible for the award of Bachelor of Laws/Bachelor of Commerce (LLB/BCom), a student must acquire 490CP as prescribed below:
- gain 90CP for the prescribed first year courses which include:
  o 50CP for Law courses and
  o 40CP for prescribed Griffith Business School courses;
  o it is a general requirement that students must have successfully completed all courses in the first year before proceeding to second year courses;
- gain 400CP for second, third, fourth and fifth year courses which include:
  o 300CP for Law courses comprising:
    ▪ 200CP for the compulsory law courses; and
    ▪ 100CP for law electives (including 10CP for an international/comparative law elective and 10CP for a law in context elective);
  o 100CP for Griffith Business School courses comprising:
    ▪ an 80CP Griffith Business School Award Major#
    ▪ complete the compulsory Learning Development Workshops (1001MGT and 1011IRL)
- gain no more than 10CP for Law elective courses in which the grade of Pass Conceded (PC) has been attained - please note that Griffith Law School policy does not allow for core Law courses to be awarded the grade of Pass Conceded;
- gain no more than 20CP for Griffith Business School courses in which the grade of Pass Conceded (PC) has been attained.

Recommendation

21.6 The Programs Committee, on the executive recommendation of the Acting Dean, Griffith Law School (19 January 2006) and the Chair of the Griffith Business School (18 January 2006), is asked ratify the Chair’s executive action in recommending to the Academic Committee the Special Purpose Submission proposing to changes to the Bachelor of Laws/Bachelor of Commerce (1128 NA, 1300 GC) as described in the submission 2006/0003503, from semester 1 2006.

25.1 The Programs Committee, on the executive recommendation of the Acting Dean, Faculty of Engineering and Information Technology (28 November 2005) and the Chair of the Griffith Business School (November 2005), is asked to ratify the Chair’s executive action
in recommending to the Academic Committee the Special Purpose Submission proposing to changes to the Bachelor of Engineering in Civil Engineering/Bachelor of Business Management (1078), as described in the attached submission 2005/0038085, from semester 1, 2006.

25.2 In July 2005 the members of Programs Committee (refer 2005/0007679) approved changes to the GBS programs, which significantly reduced the number of single undergraduate programs from seventeen to five, each containing a range of specialised study areas, for introduction in 2006. The same program structure running through each of the new programs’ re-designed curricula offers scope for a high degree of integration, interdisciplinarity and internationalisation.

25.3 This submission seeks to make provision for the changes to the GBS component of this program (as approved in 2005/0007679).

25.4 This proposal also seeks to amend the program title and award abbreviation for the Griffith Business School component of this combined degree. The proposed title is Bachelor of Engineering in Civil Engineering/Bachelor of Business (Management), to recognise the award major being undertaken.

25.5 The degree requirements for students admitted from 2006 are as follows:
To be eligible for the award of Bachelor of Engineering in Civil Engineering/Bachelor of Business (Management) (BEng/BBus), a student must acquire 420CP as prescribed below:
- gain a minimum of 80CP of core 1st year courses;
- gain a minimum of 90CP of core 2nd year courses;
- gain a minimum of 90CP of core 3rd year courses;
- gain a minimum of 70CP of core 4th year courses;
- gain a minimum of 70CP of core 5th year courses;
- successfully complete the Learning Development Workshops before proceeding to Years 2 and 3 courses;
- gain a minimum of 20CP of elective Business courses in the 4th and 5th year;
- satisfy the minimum 12-week Industrial Experience requirement;
- gain no more than 50CP for courses where a Pass Conceded (PC) grade has been awarded; a course in which a Pass Conceded (PC) grade has been awarded does not satisfy a prerequisite requirement.

Recommendation

25.6 The Programs Committee, on the executive recommendation of the Acting Dean, Faculty of Engineering and Information Technology (28 November 2005) and the Chair of the Griffith Business School (November 2005), is asked ratify the Chair’s executive action in recommending to the Academic Committee the Special Purpose Submission proposing to changes to the Bachelor of Engineering in Civil Engineering/Bachelor of Business Management (1078), as described in the submission 2005/0038085, from semester 1 2006.

1242 BACHELOR OF PHARMACEUTICAL SCIENCE

26.1 The Programs Committee, on the executive recommendation of the Dean, Teaching and Learning in Griffith Health (15 December 2005), is asked to ratify the Chair’s executive acting in recommending to the Academic Committee the attached special purpose submission proposing changes to the Bachelor of Pharmaceutical Science (1242), as detailed in 2005/0037610, from semester 1 2006.
26.2 The School of Pharmacy is proposing that the Griffith University English Language Requirement for international students commencing study in 2006 into the Bachelor of Pharmaceutical Science program be amended as follows –

From 2006, the minimum English language proficiency requirements for such applicants to be eligible for entry into the pharmacy program are as follows:
- A minimum overall band score of 7.0 on IELTS (International English Language Testing System) with no sub-score of less than 6.5; or
- A minimum score of 580 on TOEFL (Test of English as a Foreign Language); or
- A computerized TOEFL score of 237; or
- No score less than 3+ in each skill of the ISLPR (International Second Language Proficiency Rating).

26.3 The proposal is based upon the guidelines, pertaining to English language proficiency, set down by the accreditation governing body, COPRA. The school has preliminary approval to move to the next phase of provisional accreditation in March of 2006. The school is also mindful of the requirements set down by the Pharmaceutical Society of Australia with regard to English language competency for graduates seeking pre-registration.

Recommendation:

26.4 The Programs Committee, on the executive recommendation of the Dean, Teaching and Learning in Griffith Health (15 December 2005), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the special purpose submission proposing changes to the Bachelor of Pharmaceutical Science (1242), as detailed in 2005/0037610, from semester 1, 2006.

5391 MASTER OF ARTS IN INTELLECTUAL PROPERTY LAW

27.1 The Programs Committee, on the executive recommendation of the Acting Dean of the Griffith Law School (9 December 2005), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the attached submission proposing to withdraw the Graduate Certificate in Intellectual Property Law (3134), Master of Laws in Intellectual Property Law (5372) and Master of Arts in Intellectual Property Law (5391), as detailed in 2005/0037418, from semester 1, 2006.

27.2 This program was offered by the Australian Centre for Intellectual Property in Agriculture (ACIPA) through the Griffith Law School. ACIPA was obligated under its initial core funding agreement with Grains Research and Development Corporation (GRDC) to conduct postgraduate courses. This funding agreement has expired and ACIPA’s activities are now project specific and do not include a commitment to postgraduate offerings. The Centre is no longer in a position to offer any ACIPA postgraduate programs in Intellectual Property and will concentrate on research and training.

Recommendation:

27.3 The Programs Committee, on the executive recommendation of the Acting Dean of the Griffith Law School (9 December 2005), is asked to ratify the Chair’s executive action in recommending to the Academic Committee the withdrawal of the Graduate Certificate in Intellectual Property Law (3134), Master of Laws in Intellectual Property Law (5372) and Master of Arts in Intellectual Property Law (5391), as detailed in 2005/0037418, from semester 1, 2006.

SECTION III: MATTERS FOR NOTING AND WHERE APPROPRIATE, ACCEPTANCE OF RECOMMENDATIONS

28.0 AVN SPECIAL PURPOSE SUBMISSION 2005/0038324
1028 BACHELOR OF AVIATION

28.1 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Science Board (November 2005), is asked to consider the attached Special Purpose Submission proposing changes to the degree requirements for the Bachelor of Aviation (1028), as detailed in 2005/0038324, for implementation in semester 1 2006.

28.2 During the preparation work for the proposed Graduate Diploma in Flight Management the School became aware of anomalies between the credit awarded for the BAE SYSTEMS/Griffith University Bachelor of Aviation and the Bachelor of Aviation Science programs and what is written for the Bachelor of Aviation degree requirements program structure. The inclusion of the Commercial Pilot Licence practical component is a typographical error. It has not and will not impact students, as the credit is not awarded until all components of the aviation major are met. The aviation major includes gaining the appropriate licences and ratings but they are not credited.

28.3 The revised degree requirements are as follows:

   To be eligible for the award of Bachelor of Aviation (BAvn), a student must acquire 240CP as prescribed below and adhere to the flight training monitoring rules also listed below:

   - gain 60CP for the prescribed first year courses in the Bachelor of Aviation;
   - gain 80CP for the second and third year courses as prescribed in the Bachelor of Aviation;
   - gain no more than 40CP of elective courses as deemed suitable by the Head, School of Aviation;
   - complete the following flying training programs (Compulsory Aviation Major, 60CP):
     - complete General Flying Progress Test within 30 days of the end of the first semester of study which includes flight training;
     - gain complete the Commercial Pilot Licence theory theory and practical (equivalent to 20CP of second year courses) within 30 days of the end of 5th semester of study which includes flight training;
     - complete all theory components of Airline Transport Pilot Licence (equivalent to 40CP of third year courses);
     - gain either a Multi-Engine Command Instrument Rating or Instructor Rating within 30 days of end of final semester of study which includes flight training;
   - gain no more than 30CP for courses in which a grade of Pass Conceded (PC) has been attained;
   - gain no more than 100CP of courses at first year level;
   - gain a Commercial Pilot Licence and either a Multi Engine Command Instrument or Instructor Rating
   - undertake a Standardisation Test pre-Private Pilot Licence, pre-Commercial Pilot Licence and pre-Command Instrument or Instructor Rating;
   - complete and sign a Progress Review and Financial Requirements form.

Recommendation:

28.4 The Programs Committee, on executive recommendation of the Chair of the Faculty of Science Board (November 2005), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the degree requirements for the Bachelor of Aviation (1028), as detailed in 2005/0038324, for implementation in semester 1 2006.

29.0 ICT SPECIAL PURPOSE SUBMISSION 2005/0038323
1042, 1250, 1109 BACHELOR OF INFORMATION TECHNOLOGY

29.1 The Programs Committee, on the executive recommendation of the Acting Dean of the Faculty of Engineering and Information Technology (20 January 2006), is asked to consider the attached Special Purpose Submission proposing changes to the Bachelor of Information Technology (1042, 1250, 1109), as detailed in 2005/0038323, for implementation in semester 1 2006.

29.2 At the 8/2004 meeting of Programs Committee on 4 November the new structure for the Bachelor of Information Technology was approved. At this time the inconsistency between the program structure and the degree requirements was not noted and this submission is being put forward in order to align the degree requirements and the program structure. Additionally, there is an error in Year 3 of the program structure as it is shown in the Program Catalogue in that one too many IT-specific/IT-supporting/elective courses is listed.

29.3 The revised degree requirements are as follows:
To be eligible for the award of the Bachelor of Information Technology (BInfTech), a student must acquire 240CP as prescribed below:
- gain 70CP for the prescribed first year courses;
- gain 30CP-20CP for the prescribed second year courses;
- gain 20CP for the prescribed third year courses;
- satisfactorily complete the Writing Skills courses [1113ICT / 1114ICT / 1115ICT] before the end of the final semester of study;
- gain at least 90CP-100CP for IT-specific and IT-supporting second or third year courses subject to the following requirements:
  o at least 40CP for IT-specific and IT-supporting third year courses;
  o no more than 20CP for IT-specific second year courses;
  o no more than 20CP for IT-supporting third year courses;
- gain no more than 30CP for elective or additional IT-supporting courses including:
  o no more than 20CP for first year courses;
- gain no more than 30CP for courses with a Pass Conceded (PC) grade.

Recommendation:

29.4 The Programs Committee, on executive recommendation of the Acting Dean of the Faculty of Engineering and Information Technology (20 January 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Bachelor of Information Technology (1042, 1250, 1109), as detailed in 2005/0038323, for implementation in semester 1 2006.

3131 GRADUATE CERTIFICATE IN WASTE MANAGEMENT
5364 MASTER OF ENVIRONMENTAL ENGINEERING

30.1 The Programs Committee, on the executive recommendation of the Acting Dean of the Faculty of Engineering and Information Technology (20 January 2006), is asked to consider the attached submission proposing to withdraw the Graduate Certificate in Waste Management (3131) and the Master of Environmental Engineering (5364), as detailed in 2005/0038325, from semester 1 2006.

30.2 In 2003 the entries for the Master of Environmental Engineering (5364) and Graduate Certificate in Waste Management (3131), both offered off-shore in India, were removed from the Program Catalogue. They were withdrawn temporarily pending action by the School of Environmental Engineering, due to introduction by the Indian government of a requirement for registration of such off-shore programs between the partner institutions, in
this case Griffith University and the Kumaraguru College of Technology, Coimbatore, India.

30.3 The agreement between Griffith University and the Kumaraguru College of Technology for the offshore delivery of 5364 Master of Environmental Engineering and 3131 Graduate Certificate in Waste Management was signed by both partners in March 2002 for a term of three years from the date of the signing. It is now proposed to formally withdraw 5364 and 3131 from offer as the agreement with Kumaraguru College of Technology has been formally terminated.

Recommendation:

30.4 The Programs Committee, on the executive recommendation of the Acting Dean of the Faculty of Engineering and Information Technology (20 January 2006), is asked to recommend to the Academic Committee the withdrawal of the Graduate Certificate in Waste Management (3131) and the Master of Environmental Engineering (5364), as detailed in 2005/0038325, from semester 1, 2006.

36.0 POSTGRADUATE QUALIFYING PROGRAM 2006/0003008
QIBT / SCHOOL OF PHYSIOTHERAPY AND EXERCISE SCIENCE

36.1 The Programs Committee, on the executive recommendation of the Dean of Griffith Health (3 February 2006) is asked note the attached submission, 2006/0003008, proposing to establish the Griffith University Postgraduate Qualifying Program (PQP) in the School of Physiotherapy and Exercise Science, for introduction in semester 1, 2006.

36.2 This qualifying non-award program is designed to provide a bridge to Griffith’s Masters programs for students whose academic qualifications and/or English proficiency levels are marginally below the entry requirements for coursework masters programs at Griffith University. The emphasis is on developing skills necessary for success at the postgraduate level. Academic qualifications, English proficiency levels, and work experience will be assessed upon admission. This agreement relates to entry to the Master of Physiotherapy offered by the School of Physiotherapy and Exercise Science.

36.3 Students who meet the entry requirements for a PQP followed by the Master of Physiotherapy Program in PES, upon completion of the PQP as outlined in Schedule A of the submission, will be given a packaged offer for admission to the coursework Master’s program.

For noting
