GRiffith University
Programs Committee
Notice of Meeting

A meeting of the Programs Committee will be held on Thursday 2 November 2006 at 9.30am in G01, 2.12, (Business 1 Building). Apologies can be recorded by telephoning Trish MacElroy on extension 57884, or emailing T.MacElroy@griffith.edu.au.

Contents

1.0 Apologies
2.0 Confirmation of Minutes
3.0 Chairperson’s Report

Section I: Matters for Debate and Decision

4.0 GBS New Program Submission 2006/0003891
   1307, 1308, 1309 Griffith Business School Double Degree Program

5.0 NRS Major Change Submission 2006/0003111
   1165 Bachelor of Nursing / Diploma of Nursing (MSIT)

6.0 DOH Major Change Submission 2006/0003561
   1259 Bachelor of Oral Health in Dental Medicine (New Academic Plan - Medical Doctor)

7.0 PBH Major Change / New Program Submission 2006/0003109
   3203 Graduate Certificate in Health Services Management (QAIHC)

8.0 ICT Major Change Submission 2006/0002592
   1250 Bachelor of Information Technology at Work

9.0 GBS New Academic Plan Submission 2006/0003893
   1289, 1290 Bachelor of Business (Hotel, Tourism, Leisure, Event and Sport)

10.0 CLS Major Change Submission 2006/0002096
   6005 Doctor of Education

11.0 CLS Major Change Submission 2006/0002105
   1052 Bachelor of Education – Special Education

12.0 AMC Major Change Submission 2006/0002090
   1023 Bachelor of Arts (OUA)
   1024 Bachelor of General Studies (OUA)

13.0 GBS Major Change Submission 2006/0003560
   1035, 1285, 1286, Bachelor of Commerce
   1034 Bachelor of Business (Gold Coast)
   1287 Bachelor of Business (Logan)
   1288 Bachelor of Business (Nathan)
   1039 Bachelor of Business/Bachelor of Psychological Science
   1147 Bachelor of Arts (Asian and International Studies)/Bachelor of Communication
   1291 Bachelor of Arts (Politics, Asian Studies and International Relations)
1292 BACHELOR OF ARTS (POLITICS, ASIAN STUDIES AND INTERNATIONAL RELATIONS)
1105 BACHELOR OF INTERNATIONAL BUSINESS
1289 BACHELOR OF BUSINESS (HOTEL, TOURISM, LEISURE AND SPORT)
1290 BACHELOR OF BUSINESS (HOTEL, TOURISM, LEISURE AND SPORT)

14.0 GBS MAJOR CHANGE SUBMISSION 2006/0003861
1287, 1034 BACHELOR OF BUSINESS
1155 BACHELOR OF BUSINESS MANAGEMENT
1157 BACHELOR OF BUSINESS COMMUNICATIONS

AGENDA

1.0 APOLOGIES

Apologies can be recorded by telephoning Trish MacElroy on extension 57884, or by emailing T.MacElroy@griffith.edu.au.

2.0 CONFIRMATION OF MINUTES

The minutes of the 7/2006 meeting have been circulated.

3.0 CHAIR’S REPORT

The Chair will report on items of importance to the Committee since its last meeting.

ORDERING OF THE AGENDA

At this point in the agenda, members may propose that any matter on the agenda, not included in Section I, be so included.

The New Program Approval - Programs Committee Checklist (04/0893) is attached at the end of this Agenda for reference.

SECTION I: MATTERS FOR DEBATE AND DECISION

4.0 GBS NEW PROGRAM SUBMISSION 2006/0003891
1307, 1308, 1309 GRIFFITH BUSINESS SCHOOL DOUBLE DEGREE PROGRAM

4.1 The Programs Committee, on the recommendation of the Griffith Business School Board 7/2006 (20 October 2006), is asked to consider the New Program Submission proposing to establish the Griffith Business School Double Degree Program (1307 NA, 1308 GC, 1309 LG), as detailed in 2006/0003891, for introduction in semester 1 2007.

4.2 Traditional double degree program offerings within the GBS have been in the form of structured four-year offerings between two degrees, where demand was deemed appropriate. That structure contained overlap within core and elective course offerings. Since the redesign of the GBS undergraduate degree offerings in 2006, all programs now follow a similar structure for completion.

4.3 Given the implementation of the new structure across the suite of GBS undergraduate degree programs, the merger of any combination of existing single degrees is achievable through the combination of the core requirements and allowing for the completion of the electives across disciplines. This allows for greater flexibility of combining complimentary areas of study into a four-year double degree program, while utilising existing resources. Such an approach will allow the GBS to offer students the choice of completing traditional areas of Business and Commerce study with one of our key strategic areas of strength such as International Business or Politics into a double degree program that best suits their desired career goals. This in turn will enable the GBS to offer potential students a unique range of offerings with the advantage of achieving a double degree award.
4.4 To be eligible for the award of Griffith Business School Double Degree Program a student must acquire 320CP as prescribed below:
- Complete all core course requirements according to the student’s choice of degree combination; AND
- Complete at least one GBS Academic Award Plan for each degree, according to the student’s choice of degree combination (all Academic Award Plans offered within the GBS consist of 80CP, except the Accounting major within the Bachelor of Commerce which consists of 100CP in order to satisfy professional accreditation requirements); AND
- for Bachelor of Business (Hotel, Tourism, Leisure, Event and Sport) students, complete either a Work Integrated Learning or Practicum course as part of their GBS Academic Award Plan OR a minimum of 250 hours of relevant approved industry experience; OR
- for Bachelor of Commerce students, 2105AFE [Introduction to Business Law] as part of their GBS Academic Award Plan; AND
- Complete at least 30CP of free choice electives at the required year level according to the student’s choice of degree combination; AND
- Complete no more than 120CP of courses at Year 1 level; AND
- Complete at least 60CP at Year 3 level; AND
- Gain no more than 40CP of courses in which the grade of Pass Conceded (PC) has been attained.

4.5 The set of possible degree combinations includes:
- Bachelor of Business/Bachelor of Business (Hotel, Tourism, Leisure, Event and Sport)
- Bachelor of Business/Bachelor of Commerce
- Bachelor of Business/Bachelor of Arts (Politics, Asian Studies and International Relations)
- Bachelor of Business/Bachelor of International Business
- Bachelor of Business (Hotel, Tourism, Leisure, Event and Sport)/Bachelor of Commerce
- Bachelor of Business (Hotel, Tourism, Leisure, Event and Sport)/Bachelor of Arts (Politics, Asian Studies and International Relations)
- Bachelor of Business (Hotel, Tourism, Leisure, Event and Sport)/Bachelor of International Business
- Bachelor of Commerce/Bachelor of Arts (Politics, Asian Studies and International Relations)
- Bachelor of International Business/Bachelor of Commerce
- Bachelor of International Business/Bachelor of Arts (Politics, Asian Studies and International Relations)

Recommendation:

4.6 The Programs Committee, on the recommendation of the Griffith Business School Board 7/2006 (20 October 2006), is asked to recommend to the Academic Committee the New Program Submission proposing to establish the Griffith Business School Double Degree Program (BBus, BCom, BA, BlnkBus, 1307 NA, 1308 GC, 1309 LG), as detailed in 2006/0003891, for introduction in semester 1 2007.

For approval

5.0 NRS MAJOR CHANGE SUBMISSION 2006/0003111
1165 BACHELOR OF NURSING / DIPLOMA OF NURSING (MSIT)

5.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Health Board (Faculty (27 October 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Nursing (1165), as detailed in 2006/0003111, for introduction in semester 1 2007.
5.2 The School of Nursing proposes to establish a new strand into the Bachelor of Nursing to offer a combined program in conjunction with Metropolitan South Institute of TAFE (MSIT), to provide students with an educational pathway to enter Griffith University from the TAFE sector. Students will automatically be offered dual enrolment in the Diploma of Nursing, MSIT, Logan campus and in the Bachelor of Nursing, Griffith University, Logan campus (GU). Students will undertake the Diploma of Nursing which incorporates three GU courses into the Diploma.

5.3 This proposal is submitted for consideration as a 2-year trial. The proposed program will be evaluated annually. The continuation of this program will be decided on a number of factors; ongoing support from the stakeholders, student numbers and success and course evaluations.

5.4 To be eligible for the award of the Bachelor of Nursing (BN), a student dually enrolled in the Diploma of Nursing / Bachelor of Nursing [offered in conjunction with Metropolitan South Institute of TAFE (MSIT)] must acquire 240CP as prescribed below:
- Successfully complete the Diploma of Nursing at Metropolitan South Institute of TAFE Logan campus (including 30CP courses at Griffith University)
- gain 140CP for the prescribed core courses (including the prescribed core courses for the TAFE/GU [dual offering] strand); and
- gain 10CP for elective courses; and
- successfully complete all courses in each year, including clinical experience requirements, before proceeding to the next year’s courses:
  - complete professional experience, clinical experience/placement and other mandatory requirements:
    - courses or components of courses incorporating clinical experience or other mandatory components need to be satisfactorily completed to satisfy Degree requirements even though the overall performance would otherwise qualify the student to graduate;
    - all prerequisite and corequisite requirements must also be met in order to progress through the program with a minimum grade of Pass (P) to be attained;
    - for elective courses only - a student is permitted to accrue no more than 10CP for which a grade of Pass Conceded (PC) has been attained.

Recommendation:

5.5 The Programs Committee, on the executive recommendation of the Chair of the Griffith Health Board (Faculty) (27 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Nursing (1165), as detailed in 2006/0003111, for introduction in semester 1 2007.

For approval

6.0 DOH MAJOR CHANGE SUBMISSION 2006/0003561
1259 BACHELOR OF ORAL HEALTH IN DENTAL MEDICINE (NEW ACADEMIC PLAN - MEDICAL DOCTOR)

6.1 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 9/2006 (18 October 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Oral Health in Dental Medicine (1259), as detailed in 2006/0003561, for introduction in semester 1 2007.

6.2 It is proposed to establish a new strand within the Bachelor of Oral Health in Dental Science, to enable qualified medical doctors entry to undertake studies that lead to completion of the Bachelor of Oral Health in Dental Science, and subsequent entry into the Graduate Diploma of Dentistry. Completion of both the undergraduate and postgraduate programs will lead to eligibility to register as a Dentist in Queensland. The proposed strand makes use of existing core courses within the Bachelor of Oral Health in Dental Science.
6.3 Under current legislation, entry into the specialist field of Oral and Maxillofacial Surgery requires the completion of both a medical degree and a dental degree. Throughout Australia dental schools within Universities offer a fast-tracked dental program for qualified medical doctors. The School of Dentistry and Oral Health has been approached by the Queensland Branch of the specialty with the request to develop an innovative fast-tracked dental program for qualified medical doctors. There is a pressing need to produce a program such as this to meet community demand, particularly in the Gold Coast region, for qualified Oral and Maxillofacial Surgeons.

6.4 To be eligible for the award of Bachelor of Oral Health in Dental Science (BOralH), Medical Doctor Strand, a student must acquire 240CP as prescribed below:
- gain 160CP of credit (recognised advanced standing awarded on the basis of prior medical practitioner qualification); and
- gain 80CP for the prescribed core courses; and
- all prerequisite and corequisite requirements must also be met in order to progress through the program; and
- the grade of Pass Conceded (PC) will not be awarded in this program; and

Recommendation:

6.5 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 9/2006 (18 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Oral Health in Dental Medicine (1259), as detailed in 2006/0003561, for introduction in semester 1 2007.

For approval

7.0 PBH MAJOR CHANGE / NEW PROGRAM SUBMISSION 2006/0003109
3203 GRADUATE CERTIFICATE IN HEALTH SERVICES MANAGEMENT (QAIHC)

7.1 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 9/2006 (18 October 2006), is asked to consider the attached Major Change Submission proposing to add a Graduate Certificate in Health Services Management (3203, QAIHC Executive Development Program), as detailed in 2006/0003109, for introduction in semester 1 2007.

7.2 The School of Public Health proposes to offer the Graduate Certificate in Health Services Management to Indigenous senior managers of the Queensland Aboriginal and Islander Health Council (QAIHC). This program will be taught off campus at the premises of QAIHC, Spring Hill, Brisbane, in intensive face-to-face mode. Graduates will be awarded a Graduate Certificate in Health Services Management.

7.3 Degree requirements will be the same as those for the existing Graduate Certificate in Health Services Management (3082).

Recommendation:

7.4 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 9/2006 (18 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing to add a Graduate Certificate in Health Services Management (3203, QAIHC Executive Development Program), as detailed in 2006/0003109, for introduction in semester 1 2007.

For approval
8.0 ICT MAJOR CHANGE SUBMISSION 2006/0002592
1250 BACHELOR OF INFORMATION TECHNOLOGY AT WORK

8.1 The Programs Committee, on the recommendation of the Faculty of Engineering and Information Technology Board 6/2006 (12 October 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Information Technology (1250), as detailed in 2006/0002592, for introduction in semester 3 2006 (Summer Semester).

8.2 The School of Information and Communication Technology proposes that the mode of delivery of the Bachelor of Information Technology (Logan, 1250) will change to allow flexible off-campus learning, and thereby attract students and industry to engage with the program and facilitate student's involvement in paid employment in their field of study.

8.3 The proposed Bachelor of Information Technology @ Work is designed to offer a distinctive option to the same programs offered at Nathan and the Gold Coast. It embraces the original idea of flexible delivery from the Logan campus. However experience has indicated that the proportion of courses that students can undertake in flexible mode is to be minimized. With this in mind the School will replicate the mode of delivery of the BIT-Industry at the Gold Coast, but will be more flexible in the focus of the program allowing for a much larger pool of industrial sponsors.

8.4 The first objective is to offer to industry a product of value. Therefore, students will be engaged with industry after they complete 110CP (80 CP from the first year and 30CP from the first summer semester). Industry will take them on a full-time basis during the standard semester and students will only be required to complete 10CP per standard semester. Industry will acknowledge that the students are involved in the program and will release them for 45 days during each summer to complete 30CP by 3 courses in intensive mode, each lasting 15 working days.

8.5 The fundamental requirements for this program do not change. To be eligible for the award of Bachelor of Information Technology (BInfTech), a student must gain 240CP as prescribed below:
- gain 70CP for the prescribed first year courses;
- gain 20CP for the prescribed second year courses;
- gain 20CP for the prescribed third year courses;
- satisfactorily complete the Writing Skills courses [1113ICT / 1114ICT / 1115ICT] before the end of the final semester of study;
- gain at least 100CP for IT-specific and IT-supporting second or third year courses subject to the following requirements:
  - at least 40CP for IT-specific and IT-supporting third year courses;
  - no more than 20CP for IT-supporting second year courses;
  - no more than 20CP for IT-supporting third year courses;
- gain no more than 30CP for elective or additional IT-supporting courses including:
  - no more than 20CP for first year courses;
- gain no more than 30CP for courses with a Pass Conceded (PC) grade.

Recommendation:

8.6 The Programs Committee, on the recommendation of the Faculty of Engineering and Information Technology Board 6/2006 (12 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Information Technology (1250), as detailed in 2006/0002592, for introduction in semester 3 2006 (Summer Semester).

For approval
9.0  **GBS NEW ACADEMIC PLAN SUBMISSION 2006/0003893**

**1289, 1290 BACHELOR OF BUSINESS (HOTEL, TOURISM, LEISURE, EVENT AND SPORT)**

9.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (24 October 2006), is asked to consider the attached New Academic Plan Submission proposing to add an Event Management Award Major to the Bachelor of Business (Hotel, Tourism, Leisure, Event and Sport) (1289, 1290), as detailed in 2006/0003893, for introduction in semester 1, 2007.

9.2 The proposed academic plan is designed to demonstrate the importance of event management in the areas of hospitality, leisure, sport, and tourism as an integrating feature or as a stand-alone area. More specifically, it provides a list and description of courses that are the components of the event management major. Event management involves skills in marketing and promotion, programming and planning, financial management, evaluation and impact assessment, project management, as well as an awareness of the influences and effects of the socio-politico-economic context on the nature of events. Particular emphasis through this academic plan will be placed on the importance of strategic planning in a global context characterised by turbulence change and uncertainty. This event management academic plan will refer to existing courses or modifications of existing courses, which will make up this award major. The degree requirements change only to add Event Management major as an alternative.

**Recommendation:**

9.3 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (24 October 2006), is asked to recommend to the Academic Committee the New Academic Plan Submission proposing to add an Event Management Award Major to the Bachelor of Business (Hotel, Tourism, Leisure, Event and Sport) (1289, 1290), as detailed in 2006/0003893, for introduction in semester 1, 2007.

For approval

10.0  **CLS MAJOR CHANGE SUBMISSION 2006/0002096**

**6005 DOCTOR OF EDUCATION**

10.1 The Programs Committee, on the executive recommendation of the Dean of Education (3 October 2006), is asked to consider the attached Major Change Submission proposing changes to the Doctor of Education (6005), as detailed in 2006/0002096, for introduction in semester 1, 2007.

10.2 It is proposed to

- reorganise the Research Methods courses and modify their assessment methods.;
- rationalise current electives and focus more on the designated program outcomes;
- extend delivery of Research Methods to on-line delivery for international students.

**Recommendation:**

10.3 The Programs Committee, on the executive recommendation of the Dean of Education (3 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Doctor of Education (6005), as detailed in 2006/0002096, for introduction in semester 1, 2007.

For approval

11.0  **CLS MAJOR CHANGE SUBMISSION 2006/0002105**

**1052 BACHELOR OF EDUCATION – SPECIAL EDUCATION**

11.1 The Programs Committee, on the recommendation of the Faculty of Education Board 9/2006 (13 October 2006), is asked to consider the attached Major Change Submission
proposing changes to the Bachelor of Education – Special Education (1052), as detailed in 2006/0002105, for introduction in semester 1 2007.

11.2 The School of Cognition, Language and Special Education proposes the following changes to:
- offer a broader BEdSpEd by removing the current strands and reducing low enrolment courses, and
- embed an honours strand in the BEdSpEd in line with Academic Plan 2

11.3 The proposed changes do not affect admission or degree requirements for this program.

11.4 This degree with Honours can be awarded in the following classes:
- First Class Honours (I)
- Second Class - Division A Honours (IIA)
- Second Class - Division B Honours (IIB)

Students who pass the thesis component but do not achieve the standard necessary to be awarded (IIB) will be awarded the degree without Honours. In calculating the class of honours, the 30CP of dissertation courses will be weighted at 70%; all other included courses will together be weighted at 30% as outlined in the Schedule of Honours Formulae.

Recommendation:

11.5 The Programs Committee, on the recommendation of the Faculty of Education Board 9/2006 (13 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Education – Special Education (1052), as detailed in 2006/0002105, for introduction in semester 1 2007.

For approval

12.0 AMC MAJOR CHANGE SUBMISSION 2006/0002090
1023 BACHELOR OF ARTS (OUA)
1024 BACHELOR OF GENERAL STUDIES (OUA)

12.1 The Programs Committee, on the recommendation of the Faculty of Arts Board 7/2006 (22 September 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Arts (OUA, 1023) and Bachelor of General Studies (OUA, 1034), as detailed in 2006/0002090, for introduction in semester 1, 2007.

12.2 The School of Arts proposes to offer a new Religion Studies major into these programs, which are hosted by Griffith University and offered externally through Open Universities Australia. The major consists of courses that have been carefully selected to focus on an empathetic study of the religious traditions found throughout the world. The units are designed to provide an introduction to world religions and indigenous Australian religions, exploring concepts of power and modernity and the phenomena of religions.

12.3 The addition of this major will not change the admission and degree requirements for these programs.

Recommendation:

12.4 The Programs Committee, on the recommendation of the Faculty of Arts Board 7/2006 (22 September 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Arts (OUA, 1023) and Bachelor of General Studies (OUA, 1034), as detailed in 2006/0002090, for introduction in semester 1, 2007.

For approval
13.0 GBS MAJOR CHANGE SUBMISSION 2006/0003560
1035, 1285, 1286 BACHELOR OF COMMERCE
1034 BACHELOR OF BUSINESS (GOLD COAST)
1287 BACHELOR OF BUSINESS (LOGAN)
1288 BACHELOR OF BUSINESS (NATHAN)
1039 BACHELOR OF BUSINESS/BACHELOR OF PSYCHOLOGICAL SCIENCE
1147 BACHELOR OF ARTS (ASIAN AND INTERNATIONAL STUDIES)/BACHELOR OF COMMUNICATION
1291 BACHELOR OF ARTS (POLITICS, ASIAN STUDIES AND INTERNATIONAL RELATIONS)
1292 BACHELOR OF ARTS (POLITICS, ASIAN STUDIES AND INTERNATIONAL RELATIONS)
1105 BACHELOR OF INTERNATIONAL BUSINESS
1289 BACHELOR OF BUSINESS (HOTEL, TOURISM, LEISURE AND SPORT)
1290 BACHELOR OF BUSINESS (HOTEL, TOURISM, LEISURE AND SPORT)

13.1 The Programs Committee, on the executive recommendation of Chair of the Griffith Business School Board (29 September 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Commerce (1035, 1285, 1286) Bachelor of Business (1034 Gold Coast), Bachelor of Business (1287 Logan), Bachelor of Business (1288Nathan), Bachelor of Business/Bachelor of Psychological Science (1039), Bachelor of Arts (Asian and International Studies)/Bachelor of Communication (1147), Bachelor of Arts (Politics, Asian Studies and International Relations) (1291), Bachelor of Arts (Politics, Asian Studies and International Relations) (1292), Bachelor of International Business (1105), Bachelor of Business (Hotel, Tourism, Leisure and Sport) (1289), Bachelor of Business (Hotel, Tourism, Leisure and Sport) (1290), as detailed in 2006/0003560, for introduction in semester 1 2007.

13.2 The Griffith Business School proposes changes to:
- the degree requirements, to complete at least 40CP at Year 3 level, to conform with the recent changes to the Bachelors Degree Policy; and
- to remove the degree requirement: successfully complete the Learning Development Workshops in Year 1 before proceeding to Year 2 and 3 courses.

13.3 It has been noted that the degree requirement, successfully complete the Learning Development Workshops in Year 1 before proceeding to Year 2 and 3 courses, is redundant as the requirement to complete the Learning Development Workshop (LDW) program is implicit in the first year core of the degree, hence there is no reason to state this requirement again.

Recommendation:

13.4 The Programs Committee, on the executive recommendation of Chair of the Griffith Business School Board (29 September 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Commerce (1035, 1285, 1286), as detailed in 2006/0003560, for introduction in semester 1 2007.

For approval

14.0 GBS MAJOR CHANGE SUBMISSION 2006/0003861
1287, 1034 BACHELOR OF BUSINESS
1155 BACHELOR OF BUSINESS MANAGEMENT
1157 BACHELOR OF BUSINESS COMMUNICATIONS

14.1 The Programs Committee, on the executive recommendation of Chair of the Griffith Business School Board (29 September 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Business (1287, 1034), Bachelor of Business Management (1155), and Bachelor of Business Communications (1157), as detailed in 2006/0003861, for introduction in semester 1 2007.
14.2 The Griffith Business School proposes changes to:
- remove the Academic Plan "Information Systems" from offer at Logan (1287);
- add "Information Systems" and "eCommerce" to Gold Coast offerings (1034); and
- minor amendments are to be made to the program structure of both the eCommerce and Management majors and related minors, to best meet the desired learning outcomes for these programs.

14.3 The basis of the proposal is to redeploy existing information system resources to a more appropriate market in order to fill the void created through the discontinuation of the existing Commercial Computing major at the Gold Coast campus.

Recommendation:

14.4 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (29 September 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Business (1287, 1034), Bachelor of Business Management (1155), and Bachelor of Business Communications (1157), as detailed in 2006/0003861, for introduction in semester 1 2007.

For approval

15.0 EAS MAJOR CHANGE SUBMISSION 2006/0003562
1018 BACHELOR OF SCIENCE (GC)

15.1 The Programs Committee, on the recommendation of the Faculty of Environmental Science Board 4/2006 (6 October 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Science (1018), as detailed in 2006/0003562, for introduction in semester 1 2007.

15.2 A Task Force for the Review of Science and Technology Education was established in 2005 to review the academic profile, program and course content, campus profile and teaching and learning strategies in the Group in the context of domestic and international student demand; development in the disciplines; strengths and weaknesses of the Group and market acceptance of the Science & Technology profile. The Task Force has recommended a number of initiatives to improve the consistency and quality of teaching practices, improve student retention, expand the number of programs that incorporate work related learning, and better engage key stakeholder groups, such as schools, parents and employers and governments.

15.3 The School of Environmental and Applied Sciences proposes change to the Bachelor of Science as follows:
- The major studies have been reviewed and reworked to eight offerings, with a choice of a second major or minor that can be taken only in conjunction with the parent major.
- Mid-year entry into the program will be offered and structures have been detailed. The sequence of courses for mid-year entry has been amended to meet prerequisite requirements and this re-ordering has presented some anomalies to the structure for mid-year admission students. The semester load for Environmental Science (with Terrestrial Ecology or Marine Ecology) and Marine Biology (with Biology or Environmental Science) is 30CP Year 1 Semester I and 50CP in Year 3 Semester II to accommodate prerequisite requirements. First year structure for Marine Biology and Environmental Science with Marine Ecology majors include third year course 3303EAS Planning and Environment Law. This is a pre-assumed course to 3304EAS Environment Assessment and Management offered in Year 2 of the program and as the content of 3303EAS requires no pre-knowledge it has been deemed acceptable to offer this course to first year students.
- For the commencing 2007 student cohort only, students undertaking either of the following major study areas will have the option of receiving a testamur title that acknowledges their environmental studies -
  - Ecotourism with minor study choices in Ecology, Marine Studies or Environmental Monitoring, and
  - Environmental Science with minor study choices in Terrestrial Ecology or Marine Ecology.
- The testamur title will be Bachelor of Science (Environment).
- Students taking these majors but not electing to take this degree name, or undertaking any of the remaining major studies, will receive a Bachelor of Science.
- The Wildlife Management major will no longer be offered and students interested in this study area will be able to study the Bachelor of Science (Ecology and Conservation Biology) degree with a minor in Wildlife Management.
- Degree requirements for continuing students have been re-worked to simplify the statement of degree requirements but this has not altered the requirements.
- An Industrial Affiliates Program will be offered as a 20CP elective choice in Year 3 of the program where the structure permits this as an option. Students from other study areas may apply to negotiate an IAP placement with the Program Convenor.

15.4 To be eligible for the award of Bachelor of Science (BSc), a student must acquire 240CP as prescribed below:
- 80CP for the prescribed first year level courses; and
- 160CP for second and third year courses of which 60CP must be third year level courses and must meet the requirements of at least one major; and
- no more than 30CP for courses in which the grade of Pass Conceded (PC) has been awarded can be counted towards the 240CP required to complete the degree.

Recommendation:

15.5 The Programs Committee, on the recommendation of the Faculty of Environmental Science Board 4/2006 (6 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Science (1018), as detailed in 2006/0003562, for introduction in semester 1 2007.

For approval

16.0 BSMAJOR CHANGE SUBMISSION 2006/0002604
1214 BACHELOR OF SCIENCE (LG)

16.1 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Science Board (23 October 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Science (1214), as detailed in 2006/0002604, for introduction in semester 1 2007.

16.2 A Task Force for the Review of Science and Technology Education was established in 2005 to review the academic profile, program and course content, campus profile and teaching and learning strategies in the Group in the context of domestic and international student demand; development in the disciplines; strengths and weaknesses of the Group and market acceptance of the Science & Technology profile.

16.3 The School of Biomolecular and Biomedical Science proposes change to the Bachelor of Science as follows:
- The revised Logan program will offer a new major study in Food Science in addition to the existing major in Microbiology. The major in Biological Sciences will not be offered from 2008. Continuing students in the existing majors of Biological Sciences and Microbiology will complete current degree requirements.
- The 2007 first year structure has included the following changes from the existing structure –
- 1101SCE Chemistry A to 1001SCE Chemistry IA;
- 1007BBS Biochemistry to 1007BBS Structural Biochemistry;
- 1002BBS Cell & Molecular Biology to 1002BBS Cell Biology;
- 1001BBS Human Biology: The Human Organism to be withdrawn and replaced with 2111PBH Introduction to Environmental Health for commencing 2007 and continuing structure for mid-year 2006 entry students;
- Changes to courses offered in the Recommended Other Courses to complete the degree, continuing structure, Biological Sciences major include -
  - 2008BBS Advanced Biochemistry 10CP – offered Nathan campus only
  - 2709BBS Food Molecular Biotechnology 5CP – no longer offered
  - 3154SCE Food & Drug Analysis 5CP - no longer offered from 2008
- The core requirements of the Microbiology major study remain unchanged. Changes to courses recommended to complete the Microbiology major, continuing structure are noted as –
  - 2008BBS Advanced Biochemistry 10CP – offered Nathan campus only
  - 2708BBS Food Plant Science 5CP – no longer offered
  - 2709BBS Food Molecular Biotechnology 5CP – no longer offered
  - 3007BBS Immunology 10CP (offered from Nathan campus only)
  - 3154SCE Food & Drug Analysis 5CP - no longer offered from 2008
- New course to be offered in Food Science major from 2008 -
  - 2713BBS Food Chemical Analysis 10CP

16.4 To be eligible for the award of the Bachelor of Science (BSc), a student must acquire 240CP as prescribed below:
- gain a maximum of 100CP at first year level;
- gain at least 140CP for second and third year courses;
- gain at least 60CP for third year courses;
- meet requirements for at least one major as set out in this program catalogue entry;
- gain no more than 60CP for courses not listed in this program structure;
- gain no more than 30CP of the total 240CP for courses with a Pass Conceded (PC) grade

Recommendation:

16.5 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Science Board (23 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Science (1214), as detailed in 2006/0002604, for introduction in semester 1 2007.

For approval

17.0 SCN MAJOR CHANGE SUBMISSION 2006/0002603
1210 BACHELOR OF SCIENCE (NA)

17.1 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Science Board (23 October 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Science (1210), as detailed in 2006/0002603, for introduction in semester 1 2007.

17.2 A Task Force for the Review of Science and Technology Education was established in 2005 to review the academic profile, program and course content, campus profile and teaching and learning strategies in the Group in the context of domestic and international student demand; development in the disciplines; strengths and weaknesses of the Group and market acceptance of the Science & Technology profile. The Task Force has recommended a number of initiatives to improve the consistency and quality of teaching practices, improve student retention, expand the number of programs that incorporate work related learning, and better engage key stakeholder groups, such as schools, parents and employers and governments.
17.3 The Faculty of Science proposes change to the Bachelor of Science as follows:
- Major studies will be expanded. The existing Biological Sciences major has been withdrawn and three new majors – Clinical Sciences, Forest & Horticulture Science and Biosciences – have been introduced. This has been achieved without any net increase in courses or resource requirements by using existing courses from the previous Biological Science major and courses offered from Schools of the Faculty of Environmental Science. A new course, 3038BBS Case Studies in Forestry & Horticulture, has been introduced for the Forest and Horticulture Science major.
- Existing majors have been reconsidered and the following changes noted –
  - Chemistry – 2112SCE Structural Aspects of Medicinal Chemistry to be changed to a 3rd year level course offered in 1st semester. 3135SCE Molecular Spectroscopy & Photochemistry to be not offered in 2007 and will be offered again in 1st semester 2008. 3141SCE Computational Quantum Chemistry to be offered in 2007 (as per current offering) and will not be offered in 2008.
  - Physics – 3342SCE Astrophysics is permanently withdrawn. New course 3351SCE Physics Laboratory IIIA will replace 3342SCE in Year 3 Semester 1. To be consistent 3346SCE Physics Laboratory IIIB.
  - 3001SCE Industry Affiliates Program (20CP) will be introduced in Year 3 Semester 1 as an elective course in the following majors:
    - Applied Mathematics
    - Chemistry
    - Medicinal Chemistry
    - Physics
    - Science, Technology & Society
- Minor changes to the first year of the Bachelor of Science will be as follows –
  - Course code and/or title to be changed:
    - 1101SCE Chemistry A to 1001SCE Chemistry IA
    - 1301SCE Physics A to 1301SCE Physics IA
    - 1102SCE Chemistry to 1102SCE Chemistry IB
    - 1306SCE Physics B to 1306SCE Physics IB
  - Additional courses:
    - 1151AES Biology & Biological Diversity
    - 1004AES Earth Science & GIS
    - 2251AES Animal Diversity
  - Replacement course:
    - 1212SCE Statistics & Computing will be replaced by the common Statistics course 1003AES Statistics
- The program structure has been amended where necessary to reflect the correct course titles for SCE courses to Roman numerals as they appear on PeopleSoft and the Course Catalogue.

17.4 To be eligible for the award of the Bachelor of Science (BSc), a student must acquire 240CP as prescribed below:
- gain at least 80CP of prescribed first year courses; and
- gain a maximum of 100CP at first year level, of which 1406SCE Science, Technology & Society is a core requirement; and
- gain at least 140CP for second and third year courses; and
- gain at least 60CP for third year courses; and
- meet the requirements for at least one major; and
- gain no more than 60CP for courses not listed in the structure for this program;
- no more than 30CP for courses in which the grade of Pass Conceded (PC) has been awarded can be counted towards the 240CP requirement to complete this degree.
Recommendation:

17.5 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Science Board (23 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Science (1210), as detailed in 2006/0002603, for introduction in semester 1 2007.

For approval

18.0 AES MAJOR CHANGE SUBMISSION 2006/0002588 1004 BACHELOR OF ENVIRONMENTAL SCIENCE

18.1 The Programs Committee, on the recommendation of the Faculty of Environmental Sciences Board 4/2006 (6 October 2006), is asked to consider the attached Major Change Submission proposing changes to the Bachelor of Environmental Science (1004), as detailed in 2006/0002588, for introduction in semester 1 2007.

18.2 A Task Force for the Review of the Science and Technology Education was established in 2005 to review the academic profile, program and course content, campus profile and teaching and learning strategies in the Group in the context of domestic and international student demand; development in the disciplines; strengths and weaknesses of the Group and market acceptance of the Science & Technology profile. The Task Force recommended a number of initiatives to improve the consistency and quality of teaching practices, improve student retention, expand the number of programs that incorporate work related learning, and better engage key stakeholder groups, such as schools, parents, employers and governments. Market research had also been undertaken by the Faculty of Environmental Sciences in July 2005 to determine student, teacher and guidance counsellor awareness and preference of environmental science degree names and careers. The generic degree name with bracketed 'Environment' was ranked as first preference.

18.3 The Australian School of Environmental Studies proposes change to the Bachelor of Environmental Science as follows:
- It is proposed that the title of the program be changed to Bachelor of Science (Environment).
- Major studies to be offered in the commencing 2007 structure will be –
  - Environmental Modelling
  - Natural Resource Science
  - Pollution Science
  - Society, Economics and Policy
  (Students admitted in 2007 will commence their major studies in 2008.)
- First year structure has been amended to reflect common core courses to be introduced across the Science and Technology Group from 2007.
- Continuing students will complete the degree requirements of the current program.

18.4 To be eligible for the award of the Bachelor of Science (Environment) (BSc), a student must acquire 240CP as prescribed by the requirements set out below:
- gain at least 70CP of prescribed first year core courses and 10CP elective choice (with a maximum of 100CP);
- gain the balance of 240CP for the second and third year courses, including at least 60CP of third year level courses of which at least 40CP must be third year Australian Environmental Studies courses;
- complete the requirements, including specified enabling courses, of at least one listed major;
- no more than 30CP for courses in which the grade of Pass Conceded (PC) has been awarded can be counted towards the 240CP requirement to complete this degree.
Recommendation:

18.5 The Programs Committee, on the recommendation of the Faculty of Environmental Sciences Board 4/2006 (6 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Bachelor of Environmental Science (1004), as detailed in 2006/0002588, for introduction in semester 1 2007.

For approval

19.0 AES MAJOR CHANGE / NEW PROGRAM SUBMISSION 2006/0002607

1007 BACHELOR OF SCIENCE IN ECOLOGY AND CONSERVATION BIOLOGY

1315 BACHELOR OF SCIENCE (ECOLOGY AND CONSERVATION BIOLOGY)

19.1 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Environmental Sciences Board (27 October 2006), is asked to consider the attached Major Change/New Program Submission proposing changes to the Bachelor of Science (Ecology and Conservation Biology) (1315), as detailed in 2006/0002607, for introduction in semester 1 2007.

19.2 The Australian School of Environmental Studies proposes the following changes:
- the title of the Bachelor of Science in Ecology and Conservation Biology be changed to Bachelor of Science (Ecology and Conservation Biology);
- the program will also be offered from the Gold Coast campus from 2007;
- a 20CP Industrial Affiliates Program will be offered as an elective choice in Year 3 of the programs.

19.3 To be eligible for the award of Bachelor of Science (Ecology and Conservation Biology) (BSc), (1315) Gold Coast campus, a student must acquire 240CP as prescribed in the program structure including:
- gain 80CP for first year core courses (with a maximum of 100CP at first year level); and
- gain 80CP of second and third year core courses; and
- gain 50CP of additional courses made up of either
  - 50CP minor study in Wildlife Management, or
  - 50CP of listed Ecology and Conservation Biology courses, of which 30CP must be third year level courses; and
- gain 30CP of free choice electives;
- no more than 30CP for courses in which the grade of Pass Conceded (PC) has been awarded can be counted towards the 240CP required to complete the degree.

19.4 To be eligible for the award of Bachelor of Science (Ecology and Conservation Biology) (BSc), (1007) Nathan campus, a student must acquire 240CP as prescribed in the program structure including:
- gain 60CP for specified first year core courses (with a maximum of 100CP at first year level); and
- gain 80CP of specified second and third year courses; and
- 100CP of elective courses made up of at least 70CP of listed Ecology and Conservation Biology courses, of which 30CP must be third year level courses;
- no more than 30CP for courses in which the grade of Pass Conceded (PC) has been awarded can be counted towards the 240CP requirement to complete this degree.

Recommendation:

19.5 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Environmental Sciences Board (27 October 2006), is asked to recommend to the Academic Committee the Major Change/New Program Submission proposing changes to the Bachelor of Science (Ecology and Conservation Biology) (1315), as detailed in 2006/0002607, for introduction in semester 1 2007.

For approval
20.0 NRS SPECIAL PURPOSE SUBMISSION 2006/0003107
3072 GRADUATE CERTIFICATE IN INFECTIO
5424 MASTER OF ADVANCED PRACTICE (INFECTIO
5425 MASTER OF ADVANCED PRACTICE WITH HONOURS (INFECTIO

20.1 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 9/2006 (18 October 2006), is asked to consider the attached Major Change Submission proposing changes to the Graduate Certificate in Infection Control (3072), Master of Advanced Practice (5424) and Master of Advanced Practice with Honours (5425), as detailed in 2006/0003107, for introduction in semester 1 2007.

20.2 The School of Nursing and Midwifery proposes a change to the title of the Graduate Certificate in Infection Control and the Infection Control specialty strands within the Master of Advanced Practice and Master of Advanced Practice with Honours. It is proposed that from Semester 1, 2007 the respective titles will be changed to:
- 3072 – Graduate Certificate in Infection Control and Prevention;
- 5424 – Master of Advanced Practice (Infection Control and Prevention);
- 5425 – Master of Advanced Practice (Infection Control and Prevention) with Honours.

Recommendation:

20.3 The Programs Committee, on the recommendation of the Griffith Health Board (Faculty) 9/2006 (18 October 2006), is asked to recommend to the Academic Committee the Major Change Submission proposing changes to the Graduate Certificate in Infection Control (3072), Master of Advanced Practice (5424) and Master of Advanced Practice with Honours (5425), as detailed in 2006/0003107, for introduction in semester 1 2007.

For approval

21.0 AES SPECIAL PURPOSE SUBMISSION 2006/0002586
1008 BACHELOR OF ARTS IN ENVIRONMENTAL MANAGEMENT AND POLICY

21.1 The Programs Committee, on the recommendation of the Faculty of Environmental Sciences Board 4/2006 (6 October 2006), is asked to consider the attached Special Purpose Submission proposing changes to the Bachelor of Arts in Environmental Management and Policy (1008), as detailed in 2006/0002586, for introduction in semester 1 2007.

21.2 A Task Force for the Review of the Science and Technology Education was established in 2005 to review the academic profile, program and course content, campus profile and teaching and learning strategies in the Group in the context of domestic and international student demand; development in the disciplines; strengths and weaknesses of the Group and market acceptance of the Science & Technology profile.

21.3 As a result of the program review the Australian School of Environmental Studies proposes
- the title of the program 1008 Bachelor of Arts in Environmental Management and Policy be renamed the Bachelor of Arts (Environment)
- a minor change to the degree requirements: from 2007 students will choose 90CP of elective study rather than 70CP in the present structure. Courses 1051AES Earth Sciences and 3371AES Social Dimensions of Land Management have been replaced with elective choices.

21.4 To be eligible for the award of Bachelor of Arts (Environment) BA), a student must acquire 240CP as prescribed in the program structure including:
- 50CP for the prescribed first year level courses; and
- 100CP for the prescribed second and third year level courses; and
- 90CP for listed or free choice elective courses of which at least 30CP must be third year level Australian Environmental Studies listed elective courses;
- no more than 100CP of first year level courses over the entire degree program;
- no more than 30CP for courses in which the grade of Pass Conceded (PC) has been awarded can be counted towards the 240CP requirement to complete this degree - a course for which a PC has been awarded cannot be recognised as a prerequisite for another course.

Recommendation:

21.5 The Programs Committee, on the recommendation of the Faculty of Environmental Sciences Board 4/2006 (6 October 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Bachelor of Arts in Environmental Management and Policy (1008), as detailed in 2006/0002586, for introduction in semester 1 2007.

For approval

22.0 EVP SPECIAL PURPOSE SUBMISSION 2006/0002587

1279 BACHELOR OF ENVIRONMENTAL PLANNING

22.1 The Programs Committee, on the recommendation of the Faculty of Environmental Sciences Board 4/2006 (6 October 2006), is asked to consider the attached Special Purpose Submission proposing changes to the Bachelor of Environmental Planning (1008), as detailed in 2006/0002587, for introduction in semester 1 2007.

22.2 At the 3/2006 (June) meeting of the Programs Committee it was noted that the Faculty of Environmental Sciences would work towards achieving cross-campus consistency in degree requirements between the Gold Coast and Nathan offerings of the Bachelor of Environmental Planning program.

22.3 It is therefore proposed to change the degree requirements for the Bachelor of Environmental Planning Gold Coast program (1279) to 230 credit points of core courses and 50 credit points of elective courses by moving 2204EAS Applied Statistics from the list of Professional Planning Core courses to the list of Electives. The additional 40CP to make up the total of 320CP remains unchanged.

22.4 Other minor changes are proposed by the School of Environmental Planning are to:
- remove all reference to “specialisations” from the Program Overview Pages and Program Structures of 1279 Bachelor of Environmental Planning (Gold Coast) and 1086 Bachelor of Environmental Planning (Nathan).
- Reflect the following changes made in the Bachelor of Science (Gold Coast) to courses also used in the 1279 Bachelor of Environmental Planning (Gold Coast):
  - Replace 1302EAS Earth Sciences with 1004EAS Earth Science and GIS
  - Relocate 1301EAS The Global Environment from semester II to semester I
  - Replace 1202EAS Applied Mathematics with 1002EAS Applied Mathematics

22.5 To be eligible for the award of Bachelor of Environmental Planning (BEnvPlan), a student must acquire 320CP as prescribed below:
- complete 240CP-230CP of courses prescribed in the Professional Planning Core as listed in Table [A];
- complete 40CP of Pass Stream courses listed in Table [B];
- complete 40CP-50CP of elective courses (with a maximum of 30CP at first year level) to be selected from either the list in Table [C] or from other areas of the University (subject to availability) - there must be no content overlap with other courses in your program;
- notwithstanding the amount of credit which may be given towards a bachelors degree, students undertaking a four year degree are required to complete a minimum of 110CP of second, third and fourth year courses which are part of the degree requirements and which have not been credited towards another degree;
- gain no more than 40CP (of the total 320CP) for courses in which the grade of Pass Conceded (PC) has been attained.

Recommendation:

22.6 The Programs Committee, on the recommendation of the Faculty of Environmental Sciences Board 4/2006 (6 October 2006), is asked to recommend to the Academic Committee the Special Purpose Submission proposing changes to the Bachelor of Environmental Planning (1008), as detailed in 2006/0002587, for introduction in semester 1 2007.

For approval

23.0 CCJ/QIBT NEW PROGRAM SUBMISSION 2006/0002112
9316 GU POSTGRADUATE QUALIFYING PROGRAM (CRIMINOLOGY AND CRIMINAL JUSTICE)

23.1 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Arts Board (2 October 2006), is asked to consider the attached New Program Submission proposing to establish the Postgraduate Qualifying Program for Criminology and Criminal Justice (9316), as detailed in 2006/0002112, for implementation from semester 1 2007.

23.2 The Postgraduate Qualifying Program is offered to international students who have a recognised gap, either in language proficiency or academic ability, between completed post secondary studies in their own country of origin and Australian postgraduate study entry requirement level. The PQP will be offered to international students who do not qualify for direct entry into specified School of Criminology and Criminal Justice programs because they have been assessed as marginally below entry requirements.

Recommendation:

23.3 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Arts Board (2 October 2006), is asked to recommend to the Academic Committee the New Program Submission proposing to establish the Postgraduate Qualifying Program for Criminology and Criminal Justice (9316), as detailed in 2006/0002112, for implementation from semester 1 2007.

For approval

SECTION II: MATTERS REQUIRING RATIFICATION OR EXECUTIVE ACTION

Nil

SECTION III: MATTERS FOR NOTING AND WHERE APPROPRIATE, ACCEPTANCE OF RECOMMENDATIONS

24.0 ENG PROGRAM WITHDRAWAL SUBMISSION 2006/0002611
1084 BACHELOR OF ENVIRONMENTAL TECHNOLOGY
1150 BACHELOR OF COMPUTER AND COMMUNICATION TECHNOLOGY
1222 BACHELOR OF ENGINEERING TECHNOLOGY

24.1 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Engineering and Information Technology Board (27 October 2006), is asked to consider the attached Submission proposing to withdraw the Bachelor of Environmental Technology (1084), Bachelor of Computer and Communication Technology (1150) and Bachelor of Engineering Technology (1222), as detailed in 2006/0002611, for implementation from semester 1 2007.
24.2 The offering of a single Bachelor of Engineering program resulted in the review of the three separate Technology programs and a submission to offer a single Bachelor of Engineering Technology program in the discipline areas of Civil Engineering, Environmental Engineering and Electronic & Computer Engineering was approved at the 6/2006 Programs Committee (submission 2006/0003550).

24.3 It is therefore proposed that the above-listed programs be withdrawn to commencing students from semester 1 2007.

Recommendation:

24.4 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Engineering and Information Technology Board (27 October 2006), is asked to recommend to the Academic Committee the withdrawal of the Bachelor of Environmental Technology (1084), Bachelor of Computer and Communication Technology (1150) and Bachelor of Engineering Technology (1222), as detailed in 2006/0002611, for implementation from semester 1 2007.

For approval

25.0 ENG PROGRAM WITHDRAWAL SUBMISSION 2006/0002610
1079 BACHELOR OF ENGINEERING IN CIVIL ENGINEERING/BACHELOR OF INFORMATION TECHNOLOGY
1151 BACHELOR OF ENGINEERING IN MICROELECTRONIC ENGINEERING/BACHELOR OF INFORMATION TECHNOLOGY

25.1 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Engineering and Information Technology Board (27 October 2006), is asked to consider the attached Submission proposing to withdraw the Bachelor of Engineering in Civil Engineering/Bachelor of Information Technology (1079), and the Bachelor of Engineering in Microelectronic Engineering/Bachelor of Information Technology (1151), as detailed in 2006/0002610, for implementation from semester 1 2007.

25.2 The offering of a single Bachelor of Engineering program has resulted in changes to double degree programs. One combined Engineering degree with Information Technology will be offered from 2007 in the disciplines of Civil Engineering, Gold Coast campus, and Electronic & Computer Engineering, Nathan campus.

25.3 It is therefore proposed that the above-listed programs are withdrawn from 2007.

Recommendation:

25.4 The Programs Committee, on the executive recommendation of the Chair of the Faculty of Engineering and Information Technology Board (27 October 2006), is asked to recommend to the Academic Committee the withdrawal of the Bachelor of Engineering in Civil Engineering/Bachelor of Information Technology (1079), and the Bachelor of Engineering in Microelectronic Engineering/Bachelor of Information Technology (1151), as detailed in 2006/0002610, for implementation from semester 1 2007.

For approval
26.0 GBS PROGRAM WITHDRAWAL SUBMISSION 2006/0003871
1106, 1301 BACHELOR OF INTERNATIONAL BUSINESS/BACHELOR OF COMMERCE
1295, 1296 BACHELOR OF INTERNATIONAL BUSINESS/BACHELOR OF BUSINESS
1256 BACHELOR OF BUSINESS (HOTEL MANAGEMENT)/BACHELOR OF INTERNATIONAL BUSINESS
1108 BACHELOR OF INTERNATIONAL BUSINESS/BACHELOR OF ARTS (ASIAN AND INTERNATIONAL STUDIES)
1228 BACHELOR OF COMMERCE/BACHELOR OF LEISURE MANAGEMENT
1217 BACHELOR OF HOTEL MANAGEMENT/BACHELOR OF BUSINESS

26.1 The Programs Committee, on the recommendation of the Griffith Business School Board 7/2006 (20 October 2006), is asked to consider the attached Submission proposing to withdraw the Bachelor of International Business/Bachelor of Commerce (1106, 1301), Bachelor of International Business/Bachelor of Business (1295, 1296), Bachelor of Business (Hotel Management)/Bachelor of International Business (1256), Bachelor of International Business/Bachelor of Arts (Asian And International Studies) (1108), Bachelor of Commerce/Bachelor of Leisure Management (1228), Bachelor of Hotel Management/Bachelor of Business (1217), as detailed in 2006/0003871, for implementation from semester 1 2007.

26.2 The introduction of the GBS Double Degree Program (refer item 4.0 above) is proposed to take effect in Semester 1 2007 and will replace all current GBS combined degree offerings, hence this request for program withdrawal.

Recommendation:

26.3 The Programs Committee, on the recommendation of the Griffith Business School Board 7/2006 (20 October 2006), is asked to recommend to the Academic Committee the withdrawal of the Bachelor of International Business/Bachelor of Commerce (1106, 1301), Bachelor of International Business/Bachelor of Business (1295, 1296), Bachelor of Business (Hotel Management)/Bachelor of International Business (1256), Bachelor of International Business/Bachelor of Arts (Asian And International Studies) (1108), Bachelor of Commerce/Bachelor of Leisure Management (1228), Bachelor of Hotel Management/Bachelor of Business (1217), as detailed in 2006/0003871, for implementation from semester 1 2007.

For approval

27.0 GBS PROGRAM WITHDRAWAL SUBMISSION 2006/0003885
2001 BACHELOR OF INTERNATIONAL FINANCE WITH HONOURS
2009 BACHELOR OF BUSINESS WITH HONOURS
2010 BACHELOR OF COMMERCE WITH HONOURS
2019 BACHELOR OF INTERNATIONAL BUSINESS WITH HONOURS
2024 BACHELOR OF LEISURE MANAGEMENT WITH HONOURS
2025 BACHELOR OF ARTS WITH HONOURS IN ASIAN AND INTERNATIONAL STUDIES
2053 BACHELOR OF HOTEL MANAGEMENT WITH HONOURS
2055 BACHELOR OF BUSINESS MANAGEMENT WITH HONOURS

27.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (11 October 2006), is asked to consider the attached Submission proposing to withdraw the Bachelor of International Finance with Honours (2001), Bachelor of Business with Honours (2009), Bachelor of Commerce with Honours (2010), Bachelor of International Business with Honours (2019), Bachelor of Leisure Management with Honours (2024), Bachelor of Arts with Honours in Asian and International Studies (2025), Bachelor of Hotel Management with Honours (2053), Bachelor of Business Management with Honours (2055), as detailed in 2006/0003885, for implementation from semester 1 2007.
27.2 At its 6/2006 meeting the Programs Committee approved the establishment of the GBS Honours Program (submission 2006/0003547), effective Semester 1 2007. Therefore the GBS seeks approval to withdraw the existing and above-listed honours programs.

Recommendation:

27.3 The Programs Committee, on the executive recommendation of the Chair of the Griffith Business School Board (11 October 2006), is asked to recommend to the Academic Committee the withdrawal of the Bachelor of International Finance with Honours (2001), Bachelor of Business with Honours (2009), Bachelor of Commerce with Honours (2010), Bachelor of International Business with Honours (2019), Bachelor of Leisure Management with Honours (2024), Bachelor of Arts with Honours in Asian and International Studies (2025), Bachelor of Hotel Management with Honours (2053), Bachelor of Business Management with Honours (2055), as detailed in 2006/0003885, for implementation from semester 1 2007.

For approval

28.0 GLS PROGRAM WITHDRAWAL SUBMISSION 2006/0003888
3162 GRADUATE CERTIFICATE IN LEGAL EDUCATION
3164 GRADUATE CERTIFICATE IN LEGAL THEORY

28.1 The Programs Committee, on the executive recommendation of the Chair of the Griffith Law School Board (19 October 2006), is asked to consider the attached Submission proposing to withdraw the Graduate Certificate in Legal Education (3162) and the Graduate Certificate in Legal Theory (3164), as detailed in 2006/0003888, for implementation from semester 1 2007.

28.2 These programs were first introduced in Semester 1 2005, but neither has attracted any student enrolments since they were introduced. The Griffith Law School has decided that it is no longer viable to offer these postgraduate programs as part of the Faculty's postgraduate program profile.

Recommendation:

28.3 The Programs Committee, on the executive recommendation of the Chair of the Griffith Law School Board (19 October 2006), is asked to recommend to the Academic Committee the withdrawal of the Graduate Certificate in Legal Education (3162) and the Graduate Certificate in Legal Theory (3164), as detailed in 2006/0003888, for implementation from semester 1 2007.

For approval

29.0 CALL PROGRAM WITHDRAWAL SUBMISSION 2006/0002117
3010 GRADUATE CERTIFICATE IN SECOND LANGUAGE TEACHING

29.1 The Programs Committee, on the executive recommendation of the Acting Chair of the Faculty of Arts Board (19 October 2006), is asked to consider the attached Submission proposing to withdraw the Graduate Certificate in Second Language Teaching (3010), as detailed in 2006/0002117, for implementation from semester 1 2007.

29.2 The Centre for Applied Linguistics & Languages (CALL) has already withdrawn this program, effective semester 2, 2006, as there was limited demand. This advice of program withdrawal is to formalise the process.
Recommendation:

29.3 The Programs Committee, on the executive recommendation of the Acting Chair of the Faculty of Arts Board (19 October 2006), is asked to recommend to the Academic Committee the withdrawal of the Graduate Certificate in Second Language Teaching (3010), as detailed in 2006/0002117, for implementation from semester 1 2007.

For approval

30.0 PROGRAMS COMMITTEE MEETING DATES, 2007

30.1 Programs Committee is asked to note meeting dates for 2007, as follows:

1 February 2007 *
1 March 2007
5 April 2007
3 May 2007
7 June 2007
12 July 2007
9 August 2007
6 September 2007
11 October 2007
8 November 2007
6 December 2007

30.2 All meetings are on a Thursday, and commence at 9.30am. Venues will be advised in due course.

31.0 OTHER BUSINESS

32.0 NEXT MEETING

The next meeting of the Programs Committee will be held on 7 December 2006 at 9.30am in N54, 2.01, Bray Centre, Nathan campus.
