GRIFFITH UNIVERSITY
GRIFFITH SCIENCES GROUP BOARD

A meeting of the Griffith Sciences Group Board will be held at 10.00am on Friday 15 August in Room 2.02, Council Chamber, The Chancellery (G34), Gold Coast campus.

SUPPLEMENTARY AGENDA

3.0 QIBT MAJOR CHANGE PROPOSAL (QIBT Doc 2014/03)
DIPLOMA OF BIOSCIENCES

3.1 The Queensland Institute of Business and Technology (QIBT) is seeking the Group Board’s approval for major changes to the Diploma of Biosciences, as detailed in QIBT Doc 2014/03, for implementation in semester 2 2014.

3.2 QIBT proposes the changes to the Diploma of Biosciences in order to align the Diploma with the revisions to the Bachelor of Science and associated programs implemented in semester 1 2014 following the BSc review. It is proposed that students who have completed the Diploma of Biosciences will be able to articulate with credit into the Bachelor of Biomedical Science and into the Bachelor of Science with majors in Biochemistry & Molecular Biology, Chemistry, Clinical Science, Microbiology, Applied Maths, Aquatic Ecosystems, Computational Science, Environmental Sustainability, Physics and Wildlife Biology.

Recommendation

3.3 The Group Board is asked to recommend to Programs Committee the proposal for changes to the Diploma of Biosciences, as detailed in QIBT Doc 2014/03, for implementation in semester 2 2014.
